DELIGHTED BY VENUS

I realize that all *Bits & Pieces* can't be winners, but there are a few particular ones that were really bad and not at all funny. In spite of this, I wish to renew my subscription. Great centerfolds like Barbara Dare, Venus Delight, Candie Evans and Blondi make HUSTLER worthwhile. I enjoy the new look of the video reviews. However, your *Hot Letters* are the same garbage as *Penthouse*, and I believe that you are better than that and don't need such tripe. I'd love to see spreads on pornsters like Kari Foxx, Nina DePonca, Jeanna Fine and Tracey Adams. Keep up the good work. –R. R.

SEEING STARS

I would like you to tell me the name of the beautiful angel on the cover of the October '87 HUSTLER. She has the most beautiful hair and body I have ever seen. I would like to hold her in my arms and love that body, though I know this isn't possible. –J. M.

Salem, Oregon

I just have two questions for you: Who is the girl on the October '87 HUSTLER cover, and where can I see more of her? Thank you very much. HUSTLER is the best magazine going. –M. K.

Albany, New York

Longtime HUSTLER photographer Clive McLean captured the sensual portrait of erotic video star Keisha, who will appear in an upcoming HUSTLER layout. Check the HUSTLER Erotic Entertainment *section for updates on where all the hot stars can be seen.*

TAILING OUR BEAVERS

Well, you've finally done it. You printed a photo that just got my dick hard enough that I had to write and ask for more. Your October '87 *Beaver Hunt* showed just enough of JoAnna's pussy to tease me to the point of risking blindness. How about a feature on her with that luscious shaved twat? Good work, HUSTLER. Keep on keeping it up! –J. M.

PRESSING POLITICS

Your smut rag is stomach-turning, repulsive, obscene and subversive–and don't you change it one damn bit! HUSTLER and other porn mags are the only free press left in Reagan's America. The "family" media are absolutely chickenshit these days. The October '87 *Asshole of the Month* on Washington-worm Elliot Abrams won you a new subscriber. More articles, more politics, please! I value HUSTLER all the more because I just quit the Republican party for good. Our GOP is now a cadre of religious crazies and ultraright industrialists. This is the day of the new evangelical-military-industrial complex. Any nation that idolizes malignant assholes like Reagan, North and Robertson deserves to be relieved of its civil liberties. Americans, we had better get off our wrinkled asses and organize now to retain our freedoms, or we'll be living in a theocracy by the 21st century. If you liked the Dark Ages, you're gonna love post-Reagan America. –J. B.

THOSE OTHER ASSHOLES

I must say that I buy HUSTLER and not *Playboy* or *Penthouse* because, frankly, I like to see gaping butt-holes. Your magazine is the only one that shows me open butt-holes; so yours is the only one I buy. In your August '87 issue, there is a lovely picture of a beautiful, classy blonde who seems proud of her stretched asshole, and in her smile I see a confident woman who loves to butt-fuck. There also is a picture of a lady on her knees getting it from behind. The expression on her face is great. She looks as though she is happy that her lover knows better than to fuck her pussy from behind; she likes to butt-fuck. I like both of these pictures because they convey that the idea of butt-fucking is at the same time nasty and classy. So my complaint is this: Not enough! I'd like to see more–lots more–gaping ass shots, classy ones–mostly full-body shots to view the whole lady, as well as close-ups of

open, oily butt-holes. I like smooth, hairless assholes. I'd also like to read more butt-fucking-related matter in your mag–maybe HUSTLER could have a special butt-fucking issue. Remember, AIDS notwithstanding, heterosexual butt-fucking is still widely and carefully practiced; so please don't ignore us real perverts.

WARM WORDS FOR HOT LETTERS

I'd be glad to read my letter once in a HUSTLER issue. I'm 19 years old, and I've still got 81 years left to see my letter printed in your magazine, if it stays like it is. All the issues I've ever bought have given me a near heart attack and a definite hard-on every time I study them. What I like the most are the *Hot Letters* because I'm German, and I can't find any German magazine with something like a *Hot Letter*–or even a "warm" letter. I don't like your German issue because it's boring. So go ahead making such magazines, and I will go on buying my favorite.

–M. D.

I felt a need to express myself, as well as the needs of the inmates of the California prison system. We feel that *Penthouse* is one up on HUSTLER because of their "Forum" section, but HUSTLER beats out *Penthouse* in every other aspect. We've come to the conclusion that if more *Hot Letters* were added, 70% of us prisoners would stop purchasing *Penthouse* altogether. Our second most-favorite part of HUSTLER is when you get on Ronald Reagan's ass. He should be made to move in with Jim and Tammy Bakker. Some of the shit you put him down for just tickles us to death.

TIED TO HIS INTERESTS

I generally don't buy HUSTLER. What caught my eye at the local bookstore was the coverline on your November '87 issue: "Why B&D Is on the Run." I read the report by Allan MacDonell, and was I surprised! It was very well researched and provided a great deal of news facing today's bondage fans. I see more and more movies with bondage in the normal theater, but when I go out to purchase a B&D magazine, I have to hunt through dozens of reprinted B&D magazines. The same can be said of B&D movies. If you print more reports like this one, I might start buying your magazine more often.

MAKING DOWN LOOK UP

I would like to share my gratitude, as well as my appreciation, for your number-one pickings of the most gorgeous and sensuous of all the ladies of porn. I'm writing from San Quentin and have only been down for two years. I still have quite a few years to go, but that's not why I'm writing. I'm writing to share my own feelings, as well as a whole lot of others here at the big SQ. Your magazine sells pretty well here, and I know that until San Quentin falls from age or you all give up for some reason, it will always sell real good. I find your articles inspiring, sexy, and unique. Keep up the good work. By the way, Jessica and Lauren from "On Target" in the June issue looked great.

SALTS NUTS FOR US

I'd just like to say that your magazine is by far the best of its kind: nothing but brave, bold and gutsy articles, and pictures that most wimp magazines shy away from. I'm in the Navy, and during those long trips at sea, your mag is the only thing that keeps me going. I often read the same issue four or five times, from cover to cover, and it always seems to amaze me. You guys are doing an incredible job. Keep it up because me and many of my shipmates would literally go insane if your magazine suddenly became unavailable to us–the deserving public.

I am a 21-year-old male presently serving in the United States Navy. Myself, as well as my fellow snipes, can't wait to get our hands on your magazine as soon as it comes out each month. We love your pictorials and articles, and your cartoons and jokes keep us laughing our asses off for hours on end. I would like to solicit one bitch to your magazine, though: Seventy-five percent of your pictorials are blondes, and the other 25% are brunettes. Now, there is nothing wrong with blondes and brunettes, but I have a fetish for fiery-red bush and long to see a beautiful redhead in HUSTLER bearing all. Throwing in a pair of fishnet stockings would be even better. –Shitty Daddy

CRAZY FOR GOOD SHIT

I have been a devoted, mentally disordered subscriber to HUSTLER for many years. My young wife and I are bisexual nudists, allowing our six children to practice their nudism within our home. We have three girls and three boys. When I eat my wife's pussy and asshole and she is sucking on my nine-inch uncut dick in the 69 position, I get a compulsive desire to see her large anus bulge open, and practice coprophagy. Am I insane, or is this a normal fantasy? Is it safe to practice coprophagy and urologic intake? –R. K.

HOLY HOME RUN

First of all, I like HUSTLER and have been reading it for years. I was reading your May '87 issue, and I believe you hit a home run when you picked Oral Roberts as *Asshole of the Month*. It's about time people see the real side of those TV preachers. –J. R.

NO SEXUAL MINORITIES

Your magazine is hot, but the racist shit you dump on Jews and blacks really turns me off. What the fuck, Jews and blacks got cocks too, and they get off on drilling sweet pussy just as much as us WASPs do. Talk about positive racial characteristics. Jews are known for their passion; money-grubbing, cheap ways; xenophobic racist paranoia; and sensual appreciation. What do these characteristics do for the Jews in bed? They make them great fuckers! Jews love to fuck and would probably love HUSTLER too if you'd lay off them and spread some tasty Jewish cunt for them to get hard behind.

Shee-yit, motherfuckers, the blacks you ridicule got to be into sex more than anyone. They have huge tools, supple athletic bodies and great rhythm. Black women have the roundest, firmest, sweetest asses you ever buried your nose in, brother.

So where do you get off sticking it to Jews for their money hang-ups, and blacks for their big lips, thievery, ignorance and laid-back attitude? That's chickenshit, man. That's not why I buy your magazine; it's because you talk up front and have better tits than any men's magazine on the rack. Except for the crap on Jews and blacks, HUSTLER isn't full of bullshit, like some of your yuppified competitors: airhead philosophy, how to dress, where your girlfriend should have gone to school. Get fucked. Big round tits, hard nipples, wet pink clits and grade-A asses, not to mention valuable video reviews and dynamite stories, are what HUSTLER is all about. –Pissed
Palo Alto, California

SO, WHO ASKED?

One of my favorite pastimes is drooling over sexvids, so I really know my stuff. My favorite pornographic performers are Brooke Fields, who starred in *Sex Spa, U.S.A.*, and *Female Aggressors;* Kimi Gee; and Summer Rose. –D. B

BANANA BOFF

My line of work involves delivering and hooking up TVs to our customers who aren't able to do so. Most frequently it's older or infirmed people who require my services, which was the case–at least that's what I thought–when I went into the showroom to cover for the manager.

An older couple came in, purchased a cable-ready television and requested that it be delivered to their home. I informed them that I was the one who took care of these installations and added that I'd be over the following day to set up their system. As they left the store, it appeared that their daughter or niece–a very attractive young lady–had come to the store to meet them. After a quick chat with the older couple, the girl came in and told me that she would be home the following day to accept the television delivery.

I watched her exit the store, and as the light hit her sundress, I could see that she wore no panties underneath. Her perfect ass and crack were completely visible from my vantage point.

Upon reaching her home the next day I was suddenly snapped into an advanced sexual state. The front door to their home was open–as was the screen door–and as my hands were full of equipment, I let myself in.

Instantly, the heady aroma of sex was in the air. I called out to Laura but received no reply. Then I saw her: totally nude, sprawled on the floor with her back against the couch–and a banana buried in her twat. "Close the door," she said quickly.

Now, this was a strange scene. Here was this gorgeous, young brunette, whom I'd only met a day earlier, laid out in the living room with Chiquita bananas all around her. All of them were unpeeled save for the one in her hootch, which she used to rub her clit, and the one Laura was urging me to put in the lower part of her pussy, closer to her ass–which, of course, I did.

I couldn't believe how hard my cock was from watching Laura's box devour bananas. It actually hurt, and I tried to rearrange myself to alleviate the pain. "Take your pants off," Laura breathed. "Let me see your cock."

With two bananas sticking out of her snatch, Laura handed me a third–unpeeled this time. "Stick it in me–between the others." With one hand on my rock-hard dick, I stuck the banana in with my other. Inch by inch Laura's cunt

accepted. Laura was now calling for me to fuck her with it. "Push it in farther; then pull it out. Oh, yes, that's it, only harder." The rhythm of my jacking-off was hard to keep up with because I was really into giving Laura the banana-boning she desired. The harder I plunged the unpeeled banana in, the more mushy the two peeled ones became.

As our tempo increased–Laura's groans and screams of joy and my plunging–I could feel a terrific burning in my balls and the underside of my shaft. A moment later I stood up and shot my wad all over Laura's pretty face.

Still hard, I picked Laura up by her hips, turned her away from me and laid her upper body across the couch. She was still somewhat hazy about what was going on, but when she felt my dick at her quim, she understood. "Grab another banana, an unpeeled one," Laura breathed anxiously. "Quickly, put it in my ass." I did as ordered, picking up the one I had taken out of her gash, which was already well-lubricated from the previous poking.

The sensation of plowing Laura's banana-puree-packed pussy was indescribable. All that smashed fruit made the fit nice and tight–a luxuriously warm and gooey feeling. The banana in Laura's ass was all the way in, except for the dark, tapered end. Laura was now howling, and I worried that I had gone too far up her fudge, but she said it felt great and yelled for me to fuck her hard and fast.

Thrusting in and out of Laura's hot box was out of this world. Each time I pulled out, some banana chunks came out with my root. A few seconds later I was shooting my hot, stringy load deep into Laura's juicy gash.

Then we changed places and assumed a 69 position. I ate all the smashed fruit out of Laura's cunny, lavishing her lower extremities with my talented tongue. Laura also displayed some well-versed oral antics, sucking my banana-coated cock and taking special care to catch all the loose pieces of banana that were lodged in my pubic hair and underneath my nuts.

After sucking each other clean, we both began to toy with Laura's twat. I told her that there might be some banana left and started a leisurely finger-fucking session. Laura joined in, showing me what she liked. About 15 minutes later I had my whole hand up inside Laura's love box. Her dark-maned muff just sucked me right in. Laura was in another world, but her hand urged my arm to and fro. A moment later she let out a wild scream, squirting cum and pee all over my hand and wrist.

After cleaning up a bit, I installed their new monitor and said goodbye. Upon reaching the store, my boss asked what took so long, but I told him he'd never believe it.

HOT LETTERS

As I piledrove my pecker in and out of Beth's box, Will was busy face-fucking this lovely lady.

COMMAND PERFORMANCE

I am a specialist in the United States Army, presently stationed in West Germany. All of the guys in my platoon are devoted regular readers of HUSTLER. None of us ever miss a single issue. Recently my friend Will and I had an experience that we feel is worthy enough for your *Hot Letters* section.

To begin with, Will and I traveled to a rock concert in Oldenburg. Through a hazy cloud of smoke, we spotted our commander's wife. He was in the States on emergency leave, so Will and I made our way toward her and started up a conversation. My buddy began buying this attractive older woman beer after German beer, so by the time the concert ended, Beth was smashed. Will and I were feeling no pain as well.

Beth asked us to drive her to her home on the outskirts of Stuttgart, which wasn't too far away. Upon reaching her house, we all sat down, had some more drink and smoke and began watching some porn flicks. This got us all in the mood. Beth was so wasted and so horny that she asked Will to undress her–to which he readily complied. This was quite a treat for me to watch: eyeing the commander's wife's body as my best pal helped take off every stitch of her clothing. A minute later Beth sat there on the end of the couch, completely nude. "Give it to her, Will," I said to myself.

Beth then reached inside of Will's trousers, took out his rock-hard knob and wrapped her full lips around it. Watching Beth's mouth consume Will's dill made my own pillar of passion ready for action. The commander's wife was now on her knees in front of Will's cock, leaving her ass sticking straight out in the most inviting fashion.

I couldn't resist the sight of those round globes. I stripped off my own clothing and guided my prick into her pulsating pussy. Beth uttered a loud moan when I entered her. Then she looked back and cried, "Fuck me faster! Make it hurt!"

As I piledrove my pecker in and out of Beth's box, Will was busy face-fucking this lovely lady. The commander's wife never looked better, what with my hard nine filling her folds and Will's beef accentuating her pretty facial features.

A few minutes of doggy-style dorking was all I could take, and I shot off, my cream overflowing and filling Beth's beautiful, hairless crack. She loved the humiliating treatment we were giving her. When Will finally shot his choad down Beth's throat and across her cheeks, we slapped high fives and changed positions.

She then took my tool between her teeth and sucked it all in. I now knew that the commander was indeed a lucky man. Because Beth was on her knees, I could clearly see Will jackhammering her slot. He also had his thumb firmly planted in her ass, moving it around like it was in a pie.

Beth had a hold on my nuts and seemed to squeeze the nectar right out of my knob. With one hand she diddled my dirt road, probing it with her index finger. With her other she massaged my sac. Beth's sucking became more aggressive, which provided the extra enhancement for my orgasm. My dick twitched, then exploded with a body-shaking ejaculation that seemed to go on forever.

When I felt the last bit of jizz leave the tip of my tool, I took it out of Beth's cum-filled mouth and wiped it across her face. Seeing me use the commander's better-half's face as a hankie was all Will needed to shoot off again. Beth responded by rocking and flailing around, rolling her round ass in the most provocative way. When I saw how well she could move that rump of hers, I knew I had to fuck it.

Will bent the exhausted housewife over the back of the couch. Our combined jism was flowing freely down the insides of Beth's legs, but she was still as horny as when we started. I gripped my dick, placed it at the dimpled ring of Beth's backside and began my entry.

Her head thrashed about wildly, and her groans became more intense the farther in her asshole I ventured. Will urged me on. He had a hold of his dick and was doing a great job of polishing the monkey.

Beth was wailing now. Her whole being was focused on my fudge-packing. I rolled my hips as my balls slapped against Beth's tight cheeks. Then, with an intense shudder, I filled her flank with a healthy load as Will aimed his streaming spunk at her face.

That was our parting shot. Now every time I see our commander I chuckle to myself in fond remembrance of the night me and Will almost fucked his wife to death. –E. C.

THE APPEAL OF MARRIED WOMEN

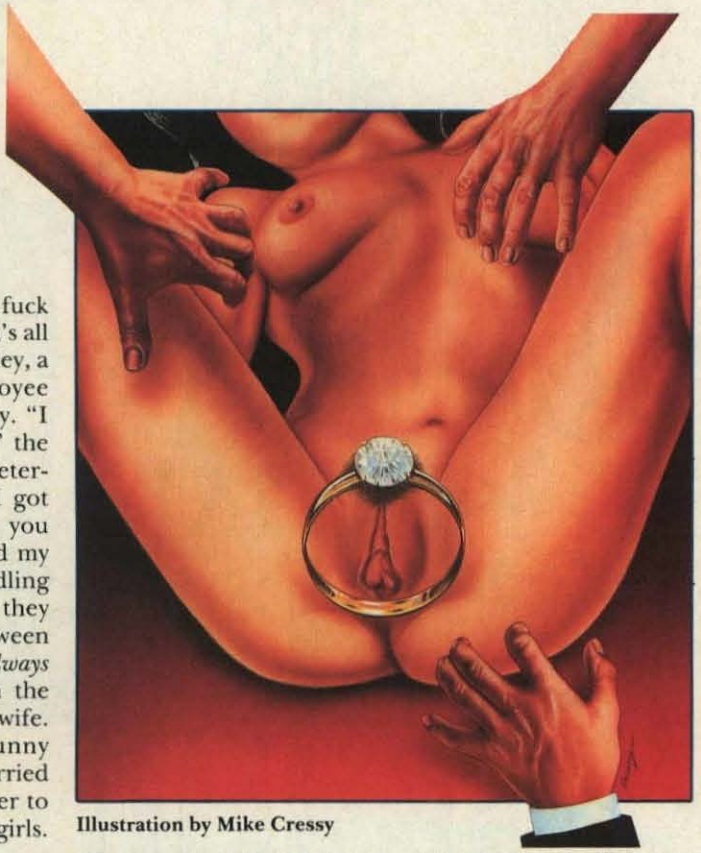

Illustration by Mike Cressy

BY ROBERT MCGARVEY

Many areas in the sexual world have remained hidden for too long behind the doors of fear, ignorance, inexperience and hypocrisy. In keeping with HUSTLER Magazine's belief that the repression of any and all sexual information is physically and emotionally damaging, we present this series of revealing articles to keep your sexual knowledge current, to lessen your inhibitions and–ultimately–to make you a much better lover.

I don't know why I like to fuck married broads, but that's all I ever poke," explains Charley, a federal-government employee based in central New Jersey. "I started right out of 'Nam," the 39-year-old Marine Corps veteran adds. "Along the way I got married twice myself–and you can bet I would have killed my wives if they'd been diddling with anyone else, which they weren't. But, when I'm between marriages, as I am now, I *always* seem to wind up between the sheets with another guy's wife. I'll tell you another funny thing," Murphy adds. "Married women are a whole lot easier to get into bed than single girls. And that's a fact."

There's no telling if Charley's right about the ease of bedding another man's wife. Nowadays, however, there's no denying that married women–with today's superior birth control, an erosion in the sanctity of marriage and freer roles for women in all areas of society–are producing a lot more extracurricular fucking than they did in the era of *Ozzie and Harriet*. In Kinsey's landmark 1953 report on female sexuality, about one married woman in four could be expected to stray off the reservation. By the time of *Cosmopolitan*'s survey of five years ago, the number had doubled–54% of the married women had had at least one extramarital affair. An amazing two in every three married *Cosmopolitan* women older than 35 had taken part in an affair. And, when it comes to finding partners, these women can choose from a large stable of men, many of whom frankly *prefer* sex with married women.

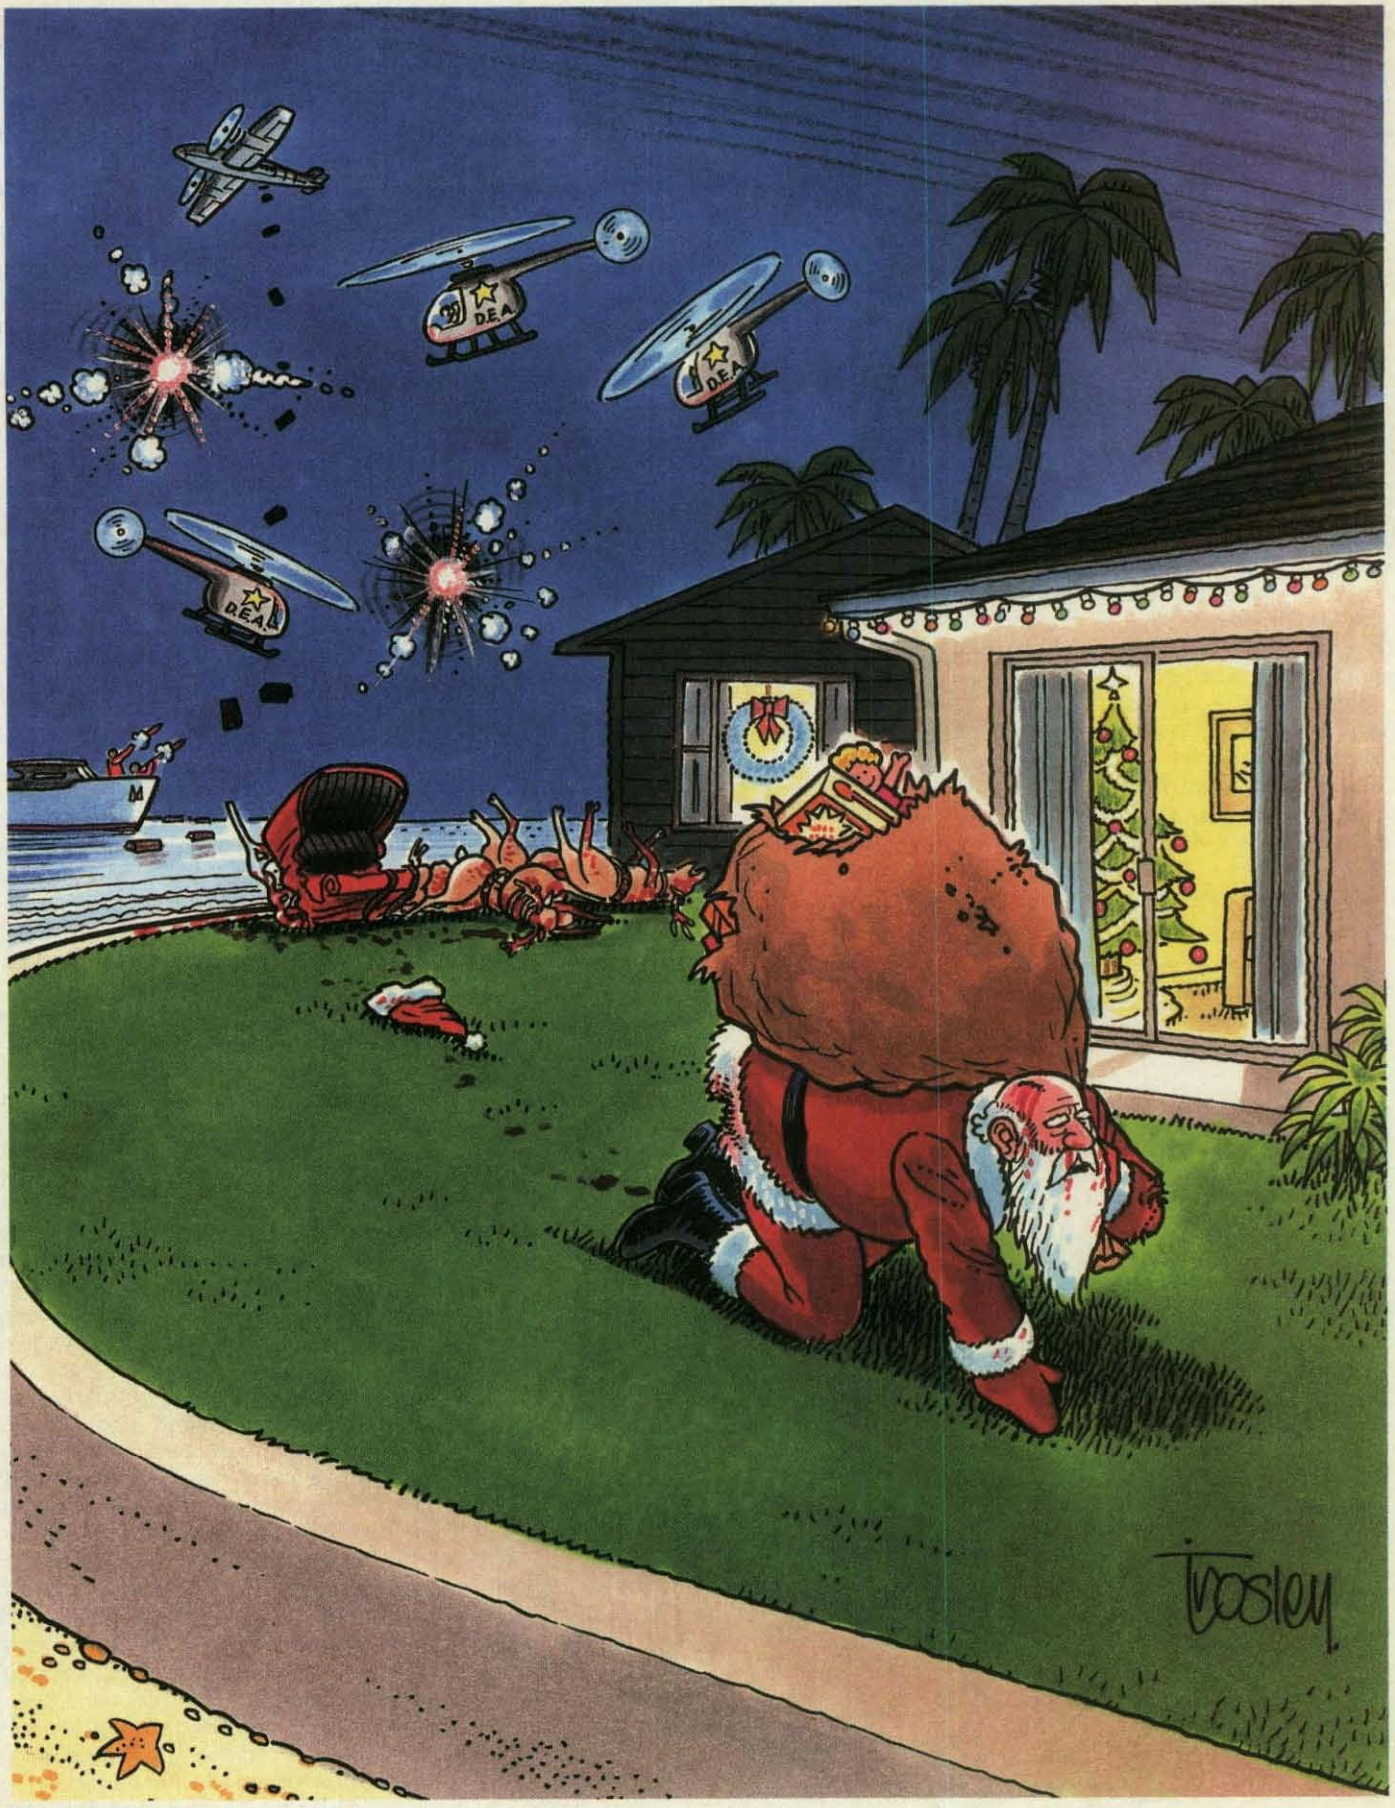
Over the years, Charley, for instance, estimates he's hidden the salami and played other indoor adult games with upward of a couple of dozen married women. Mind you, Charley is quick to add, he *never* beds a buddy's wife. "Only slimeballs do that," Murphy snorts. "If I don't know the guy, however, his lady is very fair game as far as I'm concerned."

Tom, an Orange County, California, advertising executive, is another man who prefers married ladies. "I've done the singles-bar routine–the Friday night auction is what it is. The guy with the classiest car and the most coke wins. It's a hassle and it costs a fortune. The married ladies I've fucked–there've been three in the past year alone–are easier to please.

"Most guys' wives are usually in a rush, so dinner and a flick are out. Besides, what if they bump into friends–word might trickle back and eventually fall on the ears of hubbie. Instead, it's a quick ride over to my place, pour the Scotch, flick the stereo on, and boom, we're between the sheets. Afterward–and this is a nice feature as well–they never spend the night. She'll hop in the shower to wash off the sex smell, a quick kiss, and it's goodbye. Telling you about this, I realize I actually like poking married women much more."

When it comes to the reasons why these women stray from their marital bonds, the answers are simple and well-known. *Redbook*, for instance, found in its reader survey that women who rated their marital satisfaction as fair-to-poor were *twice* as likely to have an affair than were women who were happily wed. Sex researcher Morton Hunt discovered that another important reason is boredom: "Almost two-thirds [of women who had extramarital sex] blamed the emotional boredom of marriage." That end of the equation is well-documented. The mystery is why men prefer these married ladies.

"Try to get head from a single girl on the first date," offers



"Damn! I hate doing the Miami coast!"

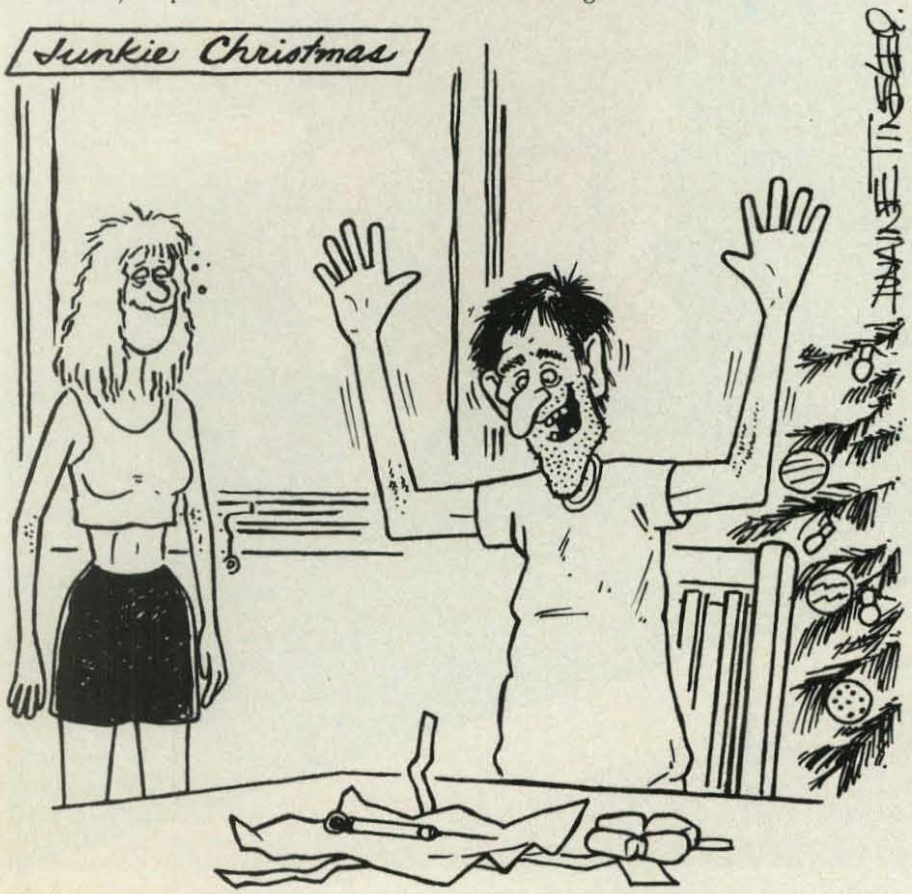
SEX PLAY

"If the lady's married, she wants to get laid. That's the only reason why she's with me."

Madison, Wisconsin, trucker Sal. "That's bullshit," exclaims the truck driver, who admits to sometimes having erection problems, which a few licks readily mend. "The first time with a woman I'm a little nervous, you know. With single broads, it's competitive: Am I gonna measure up? Am I gonna become hard immediately, or be embarrassed? I hate that fucking pressure. If the lady's married, she wants to get laid. That's the *only* reason why she's with me. If I need a little help getting hard, boom, she's there, without being asked. This'll sound strange, but it's like the married women are team players in the game of fucking. With single girls, I feel like I have to go out and hotdog it to prove I deserve to be in their pants. I don't need it."

Sal, frankly, is onto an important aspect of why some men prefer married women in the sack. As Kinsey notes, "Older women are not so likely to become disturbed [over sexual difficulties] and often have a better knowledge of sexual techniques." Put another way–and this is a plus for men whether or not they occasionally experience difficulties in bed–married women simply are more experienced than many unmarried women. This may make them better lovers. Oftentimes, true skill in bed stems *not* from having had a multitude of lovers, but from having one lover many times. In doing it over and over with the same person, a lady learns what she likes, in addition to what will please her man. In effect, she gains and draws from real-life experience. Kinsey adds, "Many males find older females more effective as sex partners."

"I've had my share of 19-year-old waitresses," throws in Peter, a Los Angeles salesman. "Those tight asses are fun, for sure. But, you know, my most satisfying schtups have been with ladies who have been around the block more than a few times. The kids don't have the foggiest idea what to do, other than you stick it in and bounce around a bit. Give me a lady who's 35, even 45, and she *knows* what to do. Of course, she's probably another guy's wife–but big deal. I don't twist her arm to get her into bed. She has a free will, and I have to believe she knows what she's doing. "



"Awright! A new needle! Just what I needed!"

Tim, a New Jersey school teacher, takes Peter's reasoning one step further. "I definitely prefer married women, and I'll tell you why. It's simple. I've never had to hit on a married lady; she's always been the one who asked me to bed. Oh, not that directly, but the hitched dame gets across her interest in climbing into the sack. With single girls, I have to do the asking, and to tell you the truth, I've never enjoyed that. A married woman knows she has to do the asking. However, only a lunatic would hit on a woman he knew was married. If he guessed wrong about her arousal, her husband would be there in a flash, pounding the crap out of him. Married ladies know that score; so they are very, very up-front about where they want the relationship to end, which is bed."

Charley, on the other hand, is not deterred by the specter of an irate husband–not at all. "I really like the idea that I'm getting away with something. For instance, the first married chick I had an affair with, 15 years ago, was married to a New Jersey state trooper, a real hard-on. Her spouse slept with a loaded .357 Magnum on the nightstand, plus he was absolutely paranoid his wife was fucking around. Of course, he was right. His old lady was always afraid her husband and his trooper buddies were tapping the phone, tailing her car, that sort of thing. She kept saying he might burst in while we were fucking. My current squeeze is a black lady who's married to a dude that would fit in on the New York Giants defensive line–he was All-State in high school–and he has a very bad temper. I've even had drinks with him once or twice. It turns me on. Dating single girls is boring by comparison. With a married woman there's always a new thrill."

While Charley is not unique in finding excitement in the danger inherent in an affair with a married woman, this is not a commonly provided reason for choosing this particular bedtime activity. But Tim, a businessman in his late 20s, gives us what may be the biggest attraction: "There's no commitment, emotional, financial or even timewise, involved in an affair with a married woman. She already has a husband. She may not like him, but she's got one; so she's not on the prowl for a ring. Single women–and you can forget that liberated women stuff if my experience is any yardstick–*all* desire a commitment leading directly to marriage. At this point in my life," explains the 28-year-old Tim, "I don't need that. I was married right after school. My wife and I got divorced two years ago. I'm not on the lookout for a bride; maybe in five years, but for now I want some fun, period. And the married girls know best how to have fun. I definitely believe that."

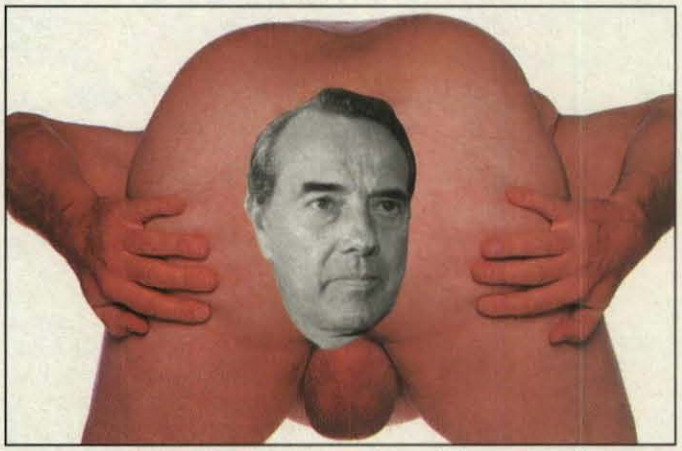
BITS and PIECES

ASSHOLE OF THE MONTH

Robert Dole



For trying to pass off his dangerous, smart-mouthed right-wing comments as harmless wit, Robert Dole is Asshole of the Month.

This Kansas cornhole returned from a Central American tour with fellow Republican Congressturds spewing the typical hawk bullshit that young American men–not Dole–would have to back up. After suffering the humiliation of being forced to meet with Nicaraguan president Daniel Ortega in front of the press–instead of behind closed doors, as it's done in the land of the free–Dole suggested that Latin leaders wouldn't object "if somebody came down there and sort of blew him [Ortega] away."

Shoot-first, think-never Dole then scrambled to cover his bulbous ass, explaining, "I don't mean kill him. I've got a feeling a little three-day invasion wouldn't make anybody unhappy down there." With his foot in up to the ankle, Dole let an aide further explain that the remarks shouldn't be taken seriously since they were only "hyperbole," which HUSTLER defines as political bullshit.

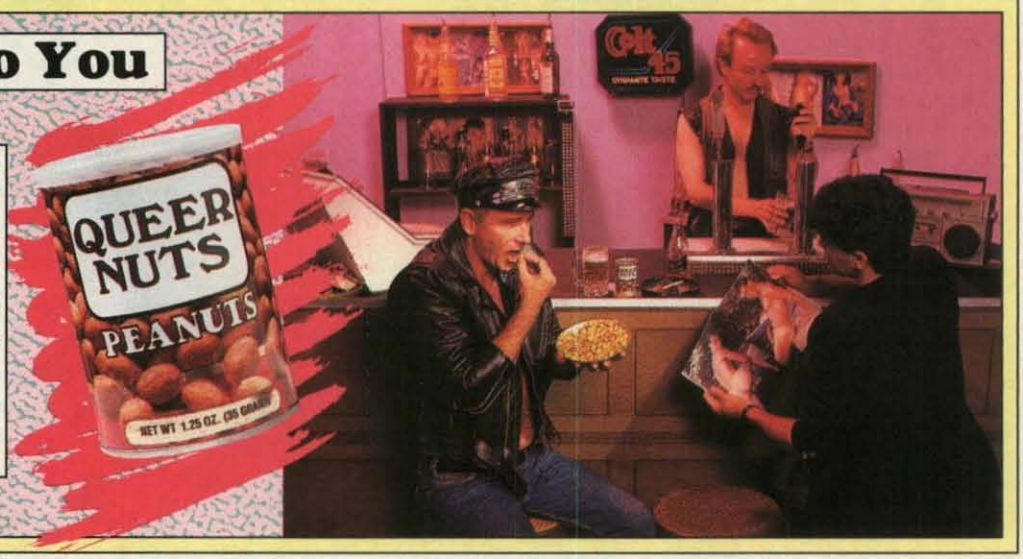
We never take Dole seriously, except when he threatens to run for President, an office already eroded by eight years of conservative decay fronted by lies. We don't oppose Dole so much for his irresponsible half-witticisms as for his flip-flops on issues, depending who he's facing. After the Nicaragua trip, Dole said he favored more aid to *contras* as well as favoring the Central American peace plan, which called for an end to *contra* funding. Even other conservative colostomy bags distrust a man who banters about the Soviet threat in Managua but favors grain sales to Russia.

Farmers know which side of the bank Dole stands on, and union workers also have a clear picture of the head cheese of the Republican party, who championed legislation for Right-to-Work organizations and flew about campaigning on corporate jets, a practice dropped just prior to his official candidacy announcement because people might think it looks like Dole is in big business's pocket.

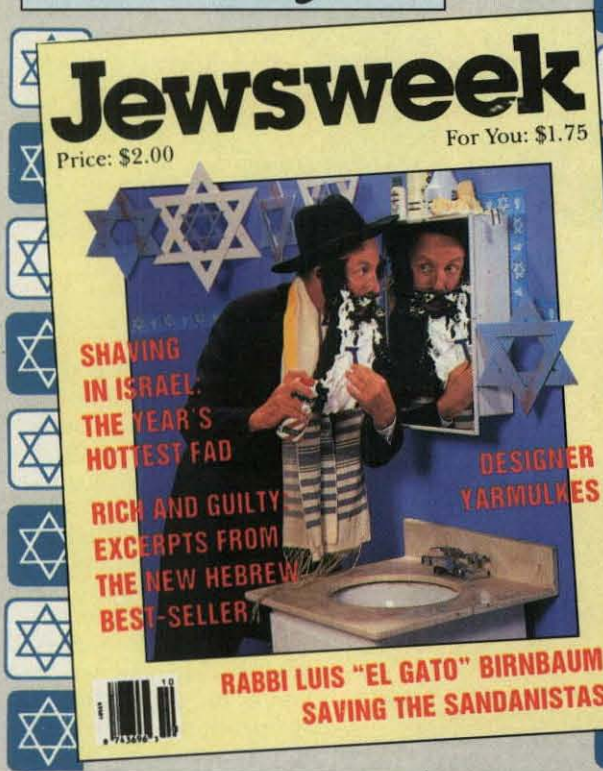
Frankly, we hope Dole wins the GOP nomination, because he's capable of leaving enough stinking little gems like his "invasion" crap along the campaign trail to cause voters to wipe their ass on the entire Republican ticket, keeping the sewer of politics unclogged with self-serving lies.

Nuts to You

A man works up a powerful hunger cruising the leather bars. Not just any treat will do. Queer Nuts are salty, like some other snacks we could name, and they go down well, like that hunk at the end of the bar. And best of all, it's almost as satisfying to eat them as it is to pay some fruit to shove them up your ass.

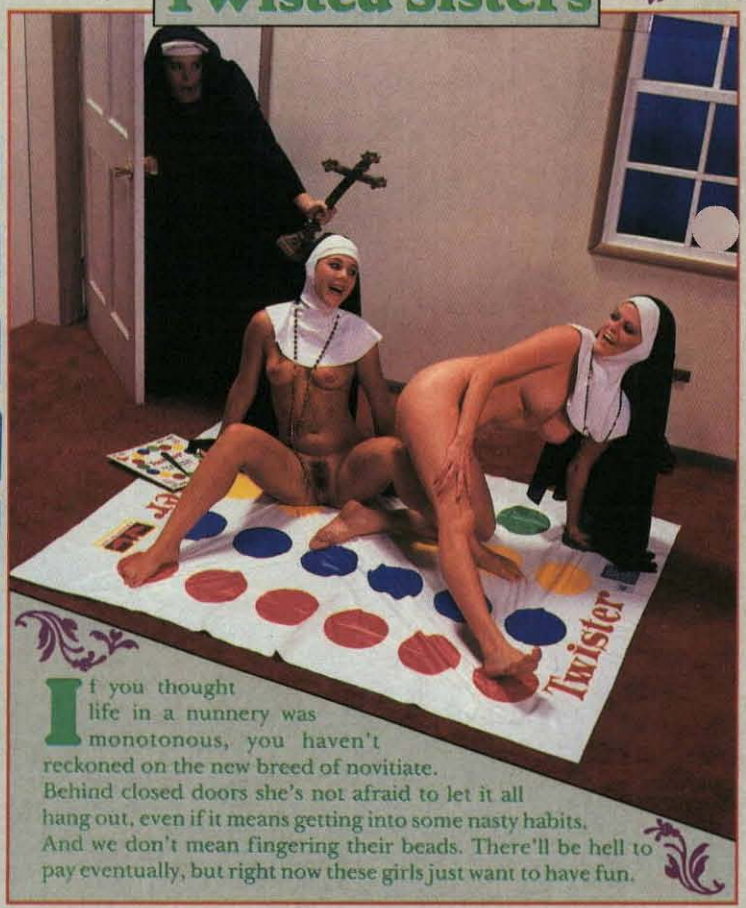


News for Jews



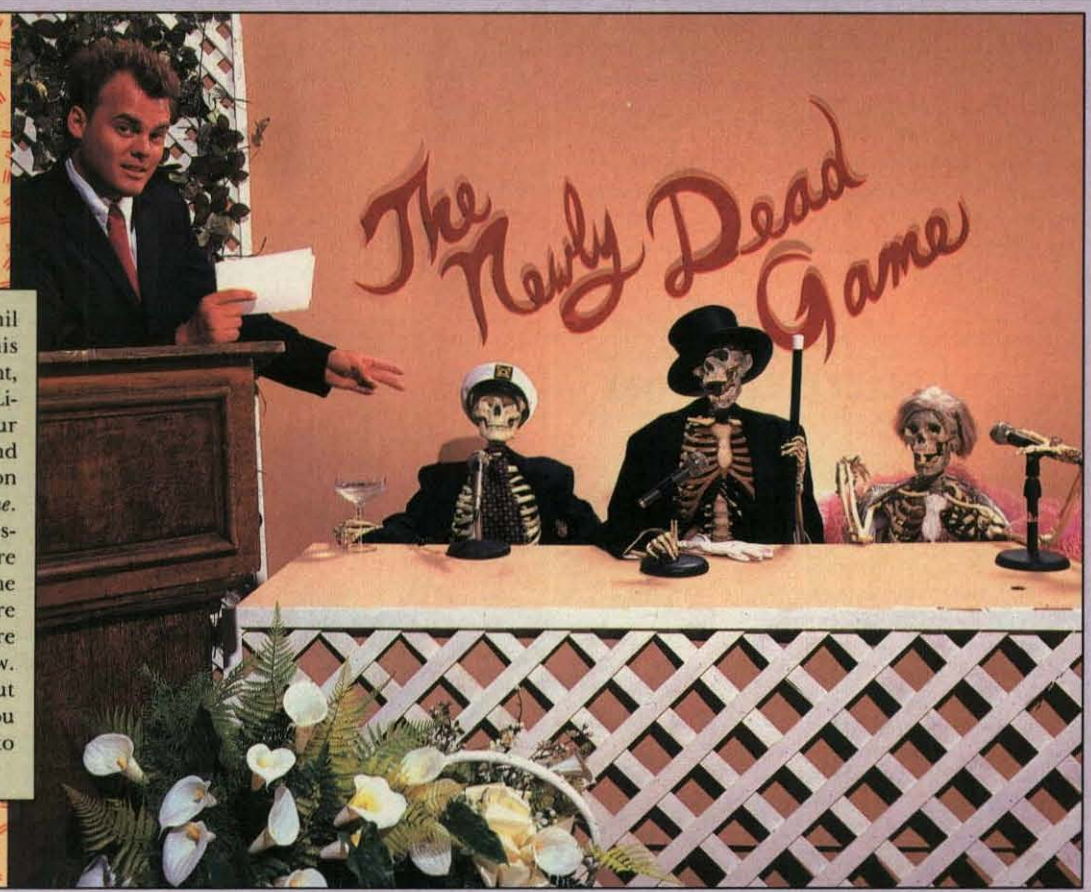
It's hard to believe American Jews lacked their own weekly newsmagazine until now. But *Jewsweek* fills the gap nicely, with wholesale shopping stories, chicken-soup recipes, hilarious circumcision anecdotes, and Zionist conspiracy updates. *SHALOM!*

Twisted Sisters



If you thought life in a nunnery was monotonous, you haven't reckoned on the new breed of novitiate. Behind closed doors she's not afraid to let it all hang out, even if it means getting into some nasty habits. And we don't mean fingering their beads. There'll be hell to pay eventually, but right now these girls just want to have fun.

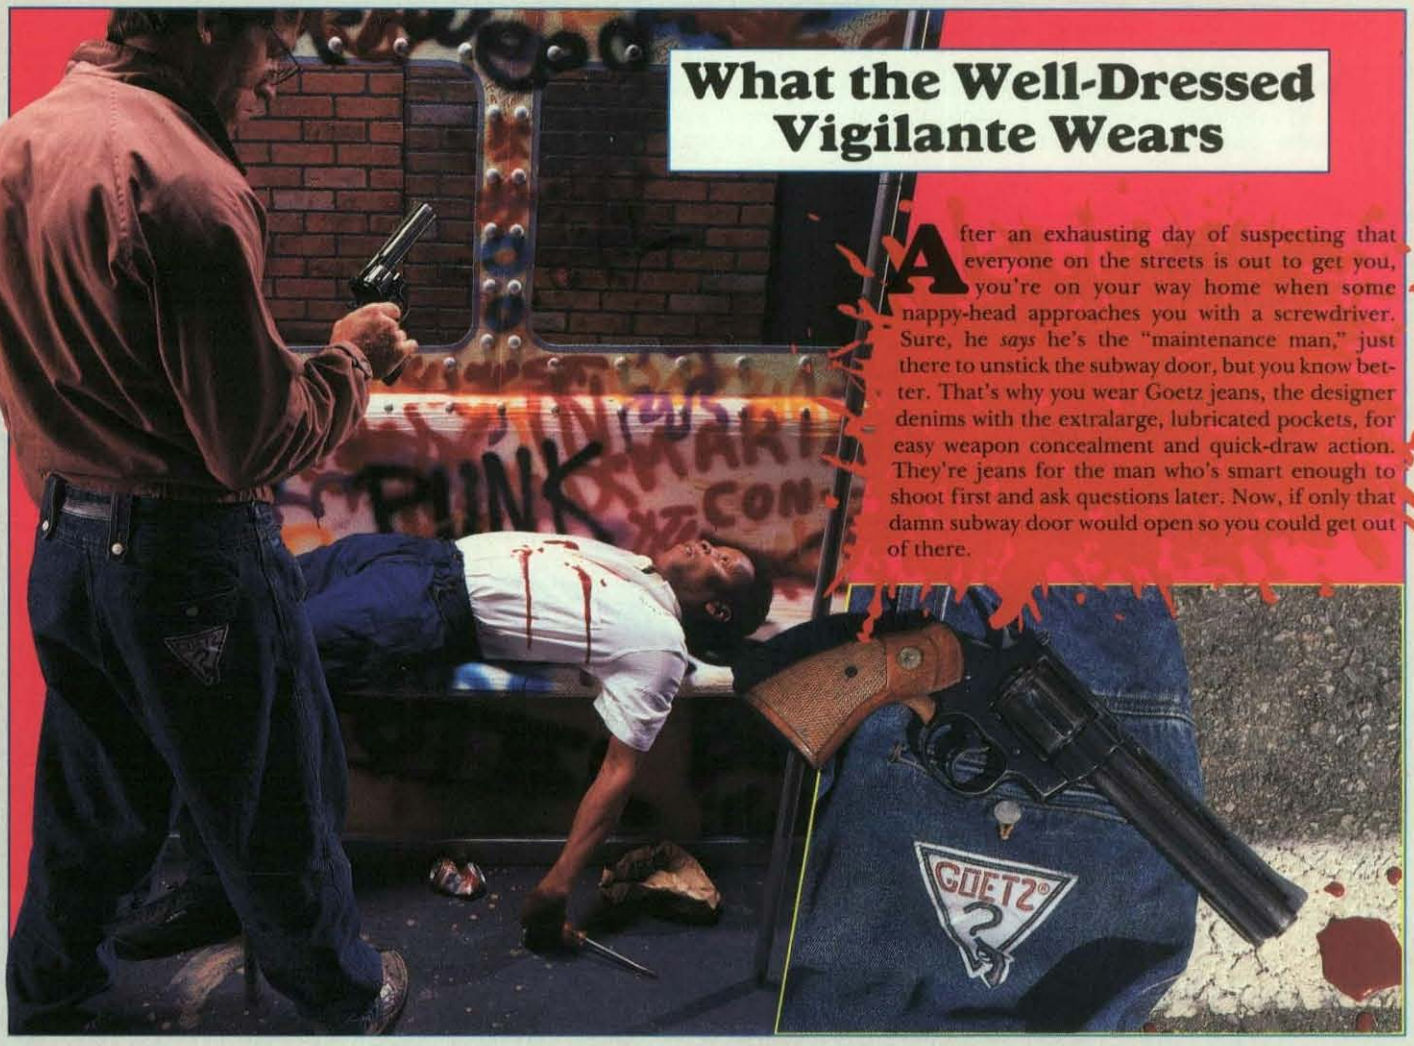
Coffin Klatch



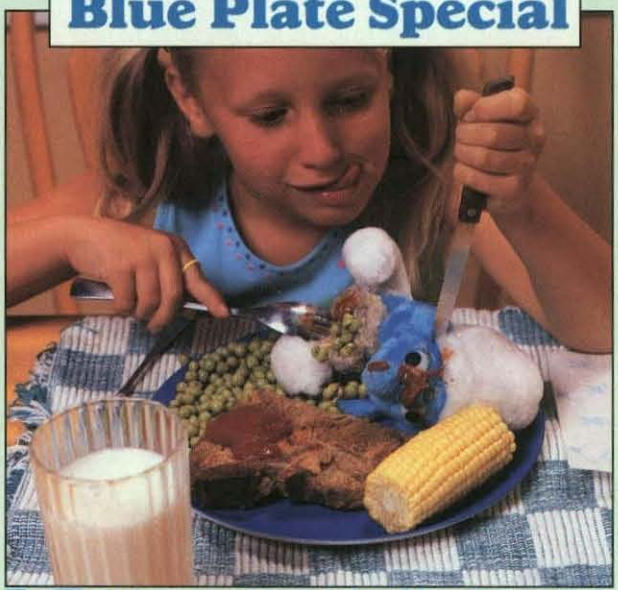
Join host Phil Smarm and his guests Cary Grant, Fred Astaire and Liberace for a half hour of laughs, chills and long, silent pauses on *The Newly Dead Game*. These celebrity contestants figured they were too big for TV game shows while they were alive, but they're sure not complaining now. So check 'em out, but don't be alarmed if you can't adjust your set to get the ghosts out.

What the Well-Dressed Vigilante Wears

After an exhausting day of suspecting that everyone on the streets is out to get you, you're on your way home when some nappy-head approaches you with a screwdriver. Sure, he *says* he's the "maintenance man," just there to unstick the subway door, but you know better. That's why you wear Goetz jeans, the designer denims with the extralarge, lubricated pockets, for easy weapon concealment and quick-draw action. They're jeans for the man who's smart enough to shoot first and ask questions later. Now, if only that damn subway door would open so you could get out of there.

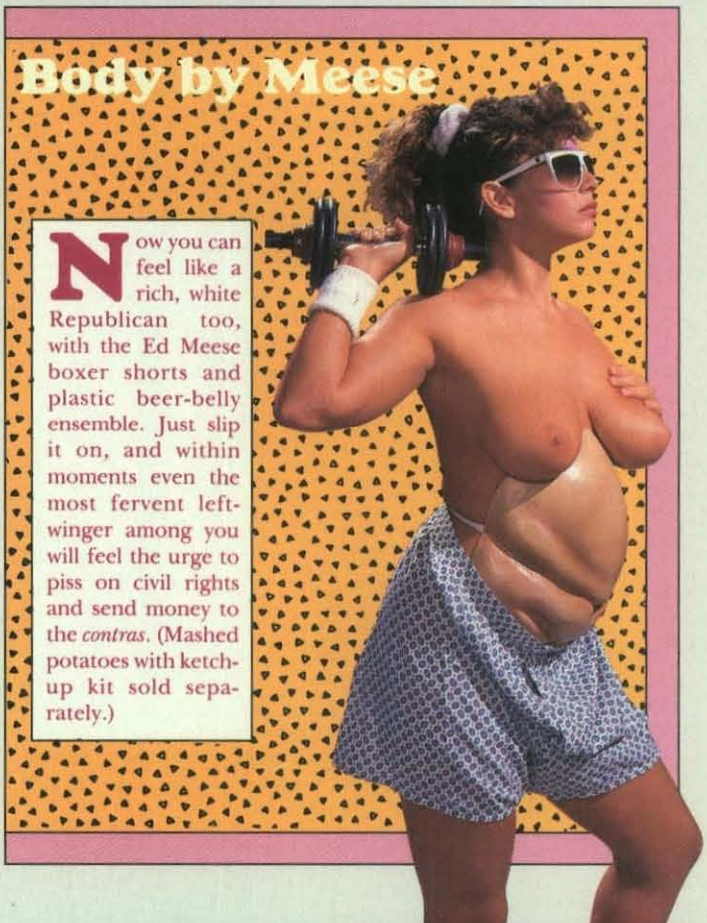


Blue Plate Special



Next time you and the family are in the Death Valley area, visit Kiddy Gourmet, the first restaurant that caters specifically to prepubescent palates. Little Missy here is crazy about the Smurf and Turf lunch platter, with a side order of Tater Tots and baby peas. And for dessert, don't forget to try the chocolate Bullwinkle mousse. You don't have to be a child to love it; Kiddy Gourmet has something for any creative carnivore who doesn't mind an occasional mouthful of fried felt.

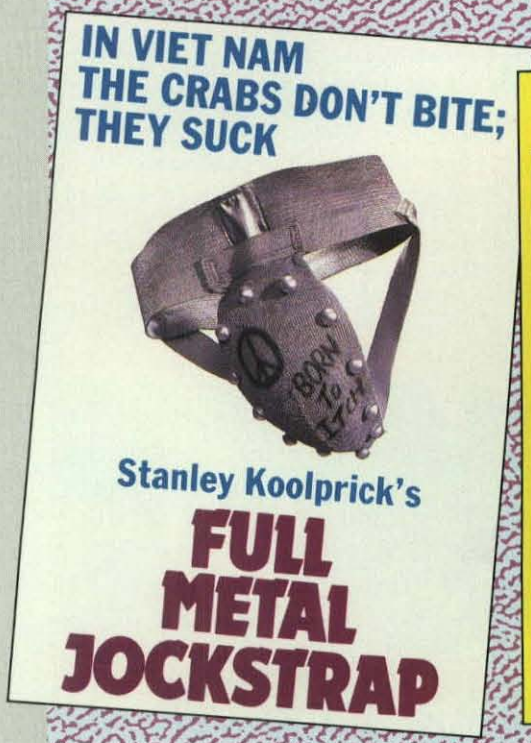
Body by Meese

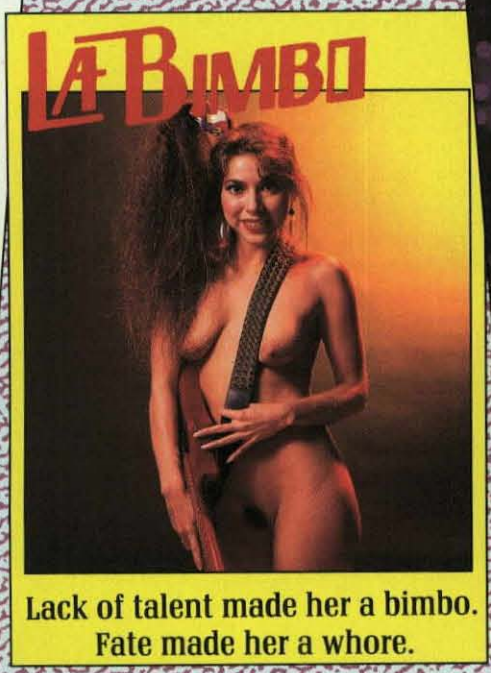


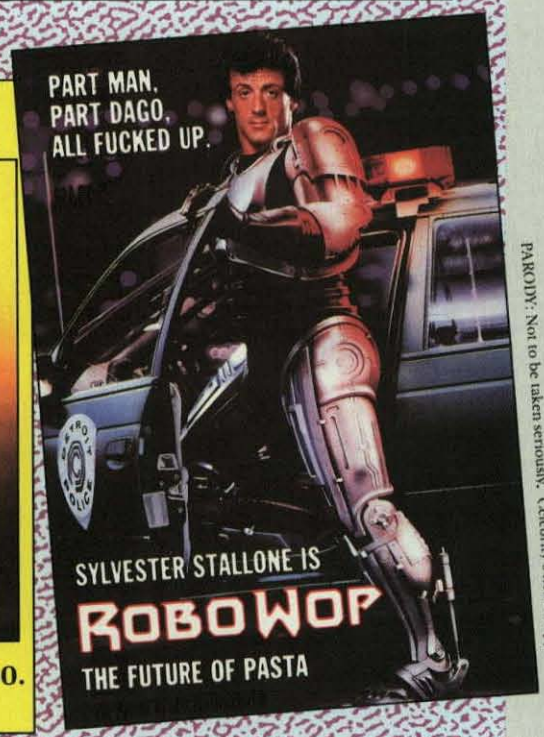
Now you can feel like a rich, white Republican too, with the Ed Meese boxer shorts and plastic beer-belly ensemble. Just slip it on, and within moments even the most fervent left-winger among you will feel the urge to piss on civil rights and send money to the *contras*. (Mashed potatoes with ketchup kit sold separately.)

TRIPLE BULL

Three of the summer's biggest motion-picture sensations have already reached the revival houses. How can we forget Stanley Koolprick's antiwar masterpiece, that moving Hispanic soap opera, or Sly Stallone's last, desperate attempt to stay in the public eye, as Rambo turns into the Italian Valium. See them in a smelly, food-stained theater with a noisy audience before they become available to the home-video market.







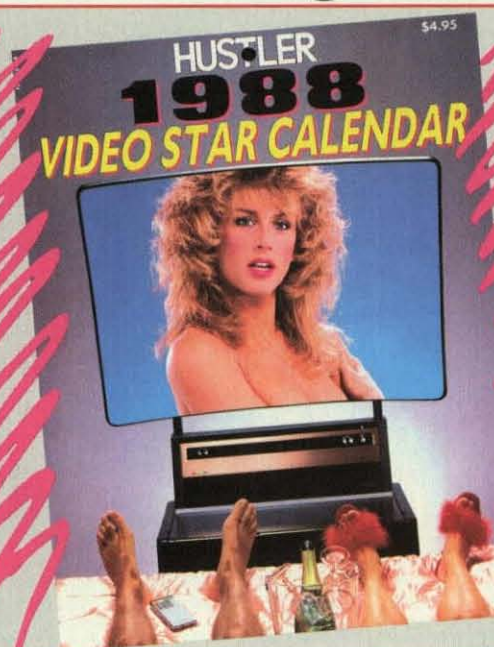
PARODY: Not to be taken seriously. Celebrity's head stripped in.

Great Moments With Jerry

Constitutionally protected comment on news photo.

Claiming that he is "preparing for the next life," Jerry Falwell, famous television panhandler, practices being dead at the Heritage USA "Holy Land" amusement park he owns. Needless to say, onlookers were delighted.

The Coming Year



Attention, all you X-rated videophiles. Now you can have the sultry sex sirens of the blue screen in your home all year long. Yes, HUSTLER's 1988 Video Star Calendar is here at last, featuring all the hottest porn queens–Blondi, Erica Boyer, Sheena Horne, Porsche Lynn and much, much more. They'll make facing the next 365 days worthwhile.

Lighting Their Fire

Almendralejo, Spain–Local women are hitting the streets these days, but not as a display of militant feminism. Instead, the club-wielding ladies are protecting their husbands from the "Torchman," a late-night intruder who invades homes and sexually assaults the men as they lie in bed. "He caresses the intimate parts of their bodies," Police Chief Miguel Garcia says, adding that most men awakened by the delicate touch of this unwanted bedmate mistake him to be their wife or girlfriend instead of a *maricon*. "It's no joke," contends Garcia. "The men are losing their nerve. The wives are determined to catch this man."

Caught in a Bind

Chaddesden, England–Those who tire of hearing the sexual boasts of others will be inspired by this story of the 38-year-old man who bragged one too many times of his personal conquests. After one night of heavy boozing, this arrogant boaster found his cherished jewels locked inside a chastity padlock. The man immediately drove to the local fire station to get his precious cargo released. "It was a delicate job," understated Officer Dick Gerrard. "Our equipment is large, and he was very nervous." Needless to say, Mr. Big Mouth won't be commenting on the size of *his* equipment anymore.

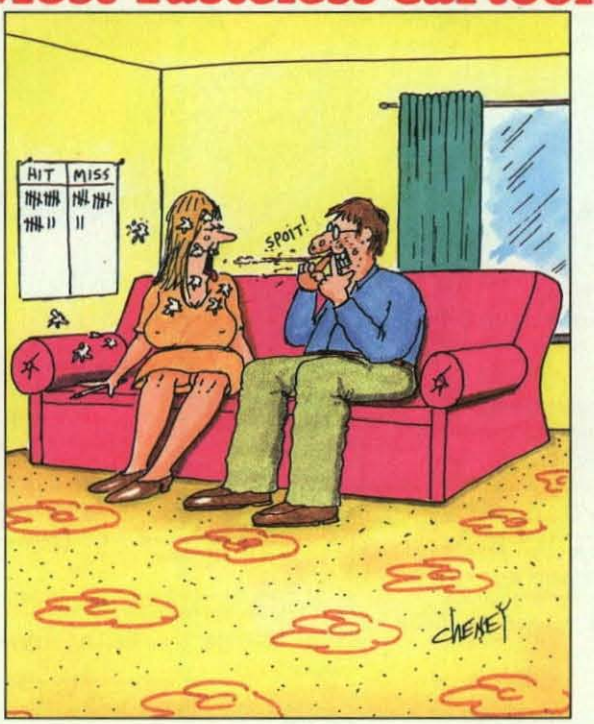
Keep Your Shirt On

Dubuque, Iowa–Proving once again that some laws just don't have a chance, the Dubuque City Council has taken an amendment off the books after only a few weeks. The statute, which stated, "No person shall expose a female breast nipple in front of a person not the person's spouse," was created in response to an overeager woman who flashed her breasts to passing motorists. Fearing traffic entanglements, the law seemed like a good idea until it was discovered that the rule prohibited breast-feeding and exposure to medical personnel. Adding to these problems, City Counsel Barry Lindahl admitted to "a number of complaints from people who objected to distinguishing between men's and women's breasts."

Porn From the Past

We never tire of that good old-fashioned smut. Send your vintage porn to "Porn From the Past," HUSTLER Magazine, 9171 Wilshire Blvd., Third Floor, Beverly Hills, CA 90210. We'll pay $150 for any shot we use. Please enclose a self-addressed, stamped envelope if you want your pictures returned.

Most Tasteless Cartoon



Yes, We Have No . . . .

Nashville, Tennessee–Though it played in Peoria, local Public Broadcasting Service kingpins refused to run a nationally broadcast program on safe-sex instruction. It seems station officials objected to a part of the telecast that showed singer Ruben Blades demonstrating proper use of a condom, but instead of a simple lecture, Blades performed his lesson using a banana. Perhaps the station, alarmed at this odd choice of appendage, was afraid kids would try this at home, but it's more likely they were worried that some viewers might be offended by the implication that AIDS is usually transmitted through fruits.

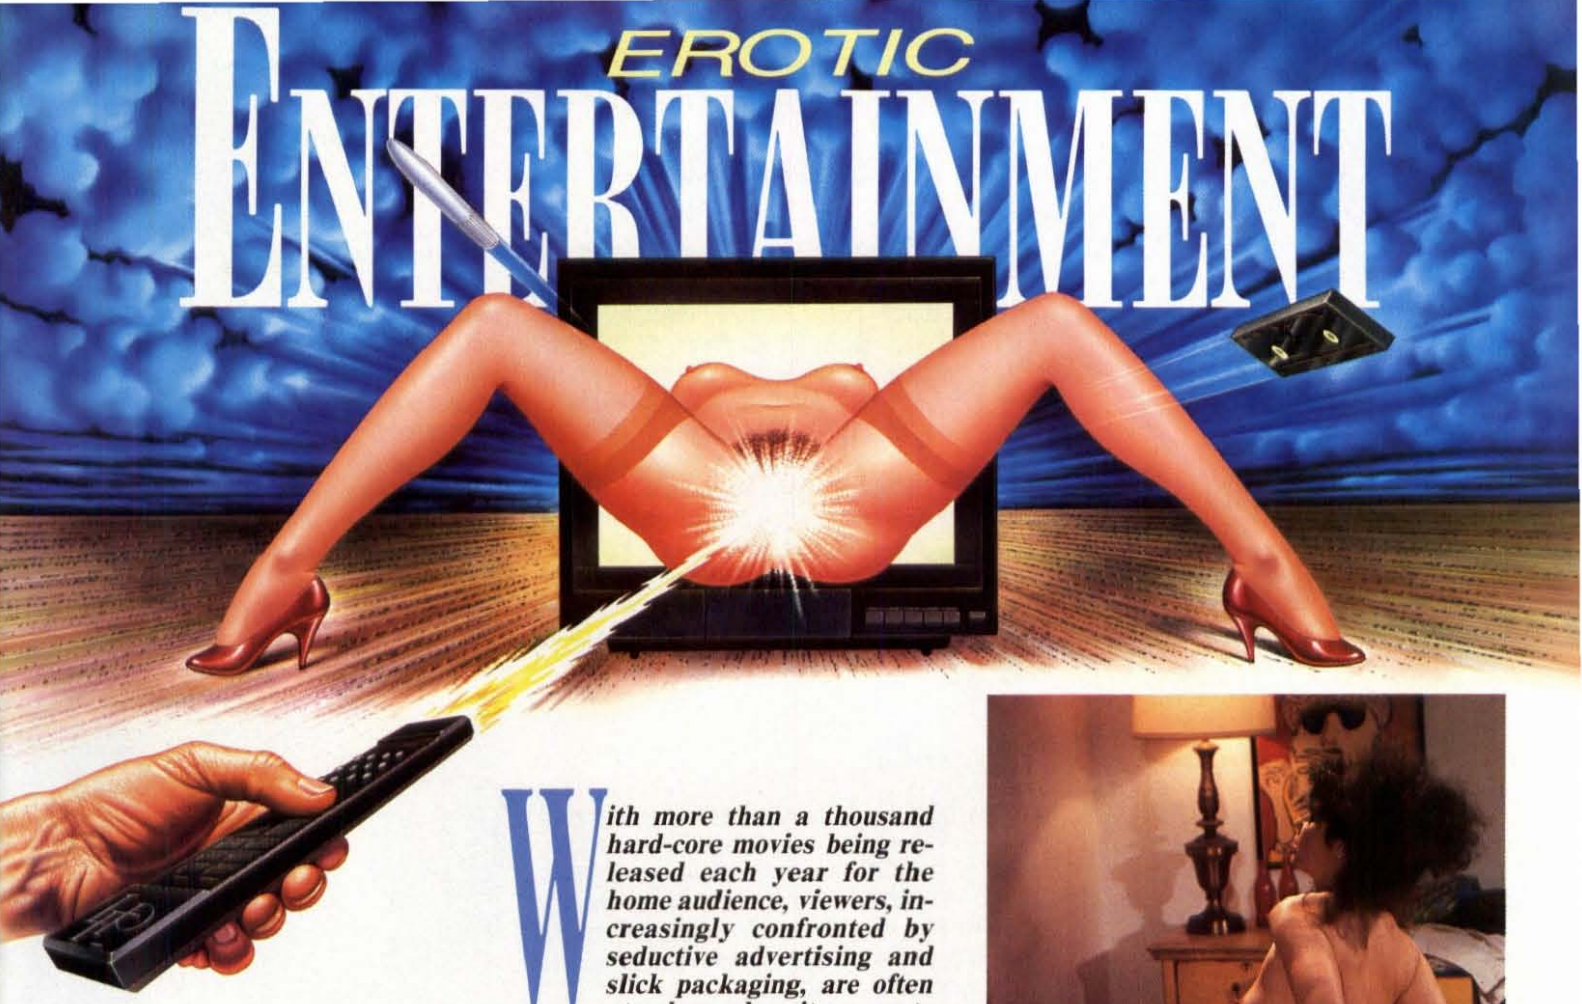
EROTIC ENTERTAINMENT



With more than a thousand hard-core movies being released each year for the home audience, viewers, increasingly confronted by seductive advertising and slick packaging, are often at a loss when it comes to selecting an X-rated tape worth watching. **HUSTLER** ***is committed to serious, no-bullshit criticism designed to accurately inform readers of XXX-cinema offerings, and to spur the adult-entertainment industry to better productions. Despite their drastic decline, there will always be adult theaters, and we'd never leave a film buff in the lurch: If a review says a production was shot on film, it's probably playing on a big screen somewhere–all you have to do is find it.***

Ona Z. gets hot and tawdry with Rex Nemo.

NO ONE TO LOVE

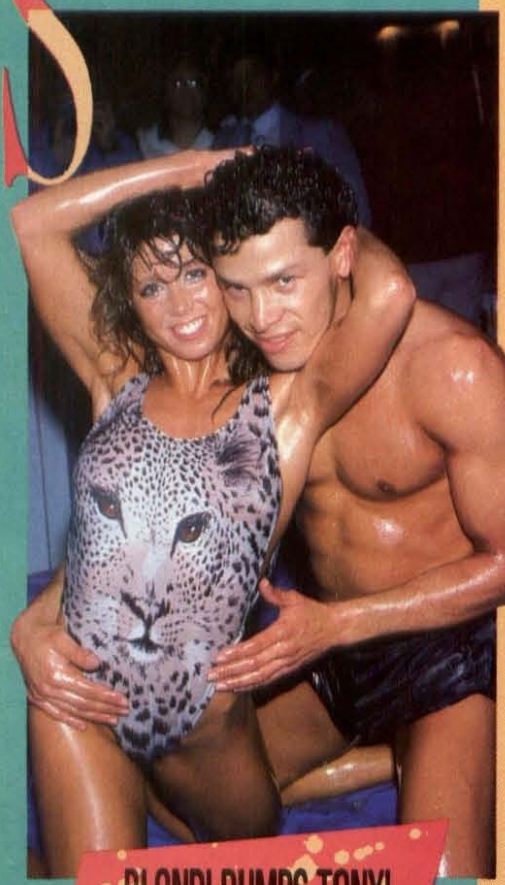
Shot on Video.

Three-Quarters Erect. Directed by Anthony Spinelli; starring Ona Z., Robert Bullock, Jerry Butler, Nina Hartley, Shanna McCullough, Gail Force and Rex Nemo. Videocassette by Plum Productions.

Of all the directors making couples tapes these days, Anthony Spinelli is probably the best. He knows that a good couples movie doesn't pussyfoot around when it comes to sex–it just gets *down*. Other prime Spinelli ingredients are a strong story and better-than-average acting, both of which *No One to Love* certainly has. This chronicle of a marriage bust-up caused by an extramarital affair that also goes sour provides meaty roles for Robert Bullock, Ona Z. and Jerry Butler. Sex ranges from the very loving Bullock/Nina Hartley tryst to the searing, animalistic encounter Z. shares with Butler to Z.'s tawdry fuck with hippie-geek Rex Nemo. This bleak but hot scene is a fitting finale to the story of a love triangle that has not one but three losers. Though it would have benefited from an additional sex scene and a little less strident emoting from Butler and Z., *No One to Love* offers a welcome option for those tired of regulation pornvid fluff. *–D. O.*

X RATED TAPES

Edited by Doug Oliver



BLONDI DUMPS TONY!

After a year or so of being dicked by only one dork–much to the aggravation of flesh fans and smut critics alike–nubile nymph Blondi has finally divested herself of on- and offscreen lover Tony Montana. Naturally, video companies from here to Gary, Indiana, have been bombarding her with offers of employment, but so far Blondi hasn't found the proper vehicle to promote her Montana-less pussy. Why the couple split is still a matter of speculation, though one unreliable source denies that Tony got the gate because he shaved his balls and Blondi could no longer tell the difference between him and Ron Jeremy.

NINA'S KNOCKOUTS

Shot on Video and Film.

Three-Quarters Erect. Directed by Chris Monte; starring Nina Hartley, Greg Derek, Amber Lynn, Herschel Savage, Randy West, Bunny Bleu, Peter North, Patti Petite, Jerry Butler, Richard Pacheco, Twyla Love and Burt Long. Videocassette by Adult Video Corporation.

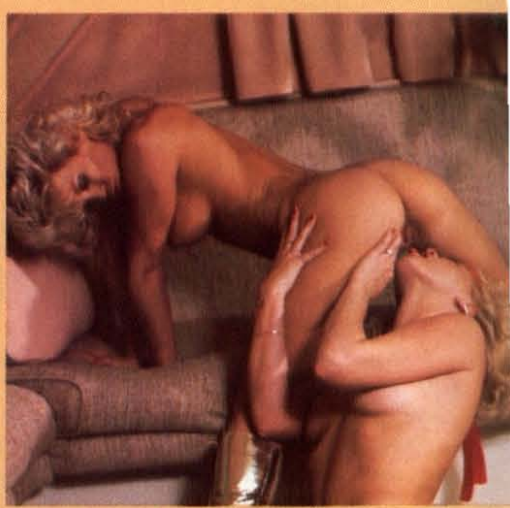
Oiled up, topless and with her hands in boxing gloves, cooze contender Nina Hartley provides the short-arm charm in this ingenious coital-compilation repackage. *Knockouts'* seven bouts of boffing (two culled from way back in the remote '70s) are broken up by pulchritudinous pugilist Hartley Ali-shuffling around a ring, tossing off jabs, hooks and snappy patter. Nina's chatter is glib enough to win over any conversationalists in the crowd, and the sex will finish off the rest. Each of the three clips showcasing Hartley's prototype ass is special in its own way–whether with Greg Derek nose-rimming her while licking slit from behind, or with strands of saliva and essence of Randy West stretching from her lips to his cock, or with Richard Pacheco stirring his prick deep in her hot-poop storage center, working to a no-hands cum-shot squeezed between those buns. Even though this tender-anus moment has turned up in another compilation tape, *Nina's Knockouts* will have bum stiffs up for the count. *–Christian Shapiro*

MIAMI SPICE

Shot on Film.

Half Erect. Directed by Svetlana; starring Amber Lynn, Randy West, Barbara Dare, Sheri St. Clair, Eric Edwards, Danielle, Candi Evans, Mike De Marco, Janette Littledove, Blondi, Tony Montana, Porsche Lynn, and Robert Bullock. Videocassette by Caballero Home Video.

Unlike the majority of porn cinematizers, the makers of *Miami Spice* spared no expense, going so far as to lease a red Ferrari and a water-worthy yacht, both of which are extensively lensed. Still, with all its costly lingerie, lingering location shots and dialogue delivered with the poise of rehearsal, the extent of *Miami's* suspense/action/drama is that a narcotics wholesaler has a party and is arrested. *Surprise!* Luckily for viewers, some of the sex is conducive to dynamic tension. A swimming-quim, in-the-pool threesome with Randy West, Amber Lynn and Sheri St. Clair features a subaqueous BJ and water-level ball-tonguing. Candi Evans licks West's wand clean after he stirs Janette Littledove's pot of stink-hair stew, and the final scene has Barbara Dare slurping Robert Bullock's scrot as Lynn sucks his root. But three of the first four fornications center on the marginally enthralling West; Littledove shows the emotional involvement of an autistic clam; and many of the fucks end before the audience has time to get started–particularly brief are Mike DeMarco porking Porsche Lynn and Tony Montana mounting Blondi, scenes cut to the point of being token sex. All in all, this *Miami* trip needs more spice. *–C. S.*



Amber Lynn and Danielle add some spice to Miami.

NAUGHTY NINJA GIRLS

Shot on Video.

One Quarter Erect. Directed by Ron Jeremy; starring Krista Lane, Penny Morgan, Jeanna Fine, Laurie P., Ryan Thomas, Scott Irish, Troy Tannier, Blake Palmer and Don Fernando. Videocassette by L.A. Video.

Naughty Ninja Girls contains seven sex scenes, so for sheer quantity it's on the right track; but despite the martial arts slant of the story, not one of them packs any punch. Suck, eat, fuck. Suck, eat, fuck. Without any passion or drama, even screwing becomes routine and–gasp!–boring. If you're looking for highlights, you will find a few–about 90 seconds' worth. Jeanna Fine impresses when she briefly deep-throats Tannier, and Laurie P. manages to generate a spark or two whilst sucking and fucking him later on. In the video battlefield these Ninja girls could have their butts whipped by a blind, retarded Girl Scout. Where's Sho Kosugi when we need him? *–Rob Peters*

VIDEO OF THE MONTH

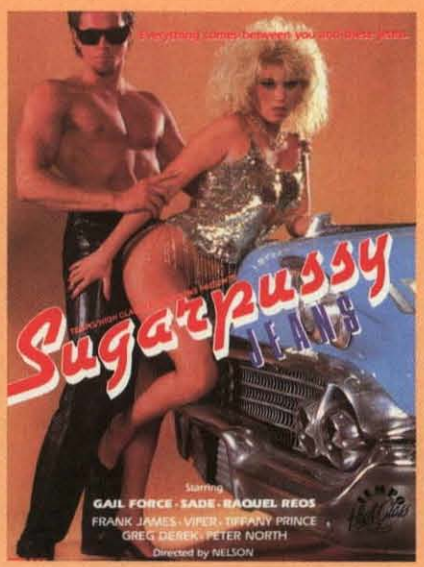
John Leslie bones Rhonda Jo Petty in Firestorm II's *final fuck.*

SUGARPUSSY JEANS

Shot on Video.

Three-Quarters Erect. Directed by Nelson, starring Gail Force, Peter North, Keisha, Viper, Greg Derek, Frank James, Whitney Prince, Sade, Marc Wallice and Scott Irish. Videocassette by High Class Productions.

Sugarpussy Jeans is a knuckleheaded, but stiff-rodded bonerama about advertising execs Gail Force and Peter North coming up with a commercial for a line of designer jeans. The two Force/North snatch-slammings are prime pud-pulling material, as is a delicious muff-munch between Force and Keisha on a staircase. A menage with Derek, Viper, and Whitney Prince is so scorching that the girls get Derek's drained dong to pop off twice. Black beauty Sade comes close to stealing the film with her carnal couplings. Marc Wallice and Scott Irish double-team her, with Irish jetstreaming a bountiful load in her face. This, of course, is a mere trickle compared to what North unloads on her in their heated encounter. With balls-eye sex and enough heat to loosen even the rustiest of zippers, *Sugarpussy Jeans* makes for a nice, tight fit. *–Sam Lowry*



FIRESTORM II

Shot on Film.

Fully Erect. Directed by Cecil Howard; starring John Leslie, Sharon Mitchell, Eric Edwards, Tish Ambrose, Renee Summers, Paul Thomas, Sharon Kane, Ali Moore, Michael Gaunt, Tiffany Clark, Rhonda Jo Petty, Patrice Trudeau, Ron Jeremy and Sonya. Videocassette by Command Cinema.

From its dazzling opening montage of clips from *Firestorms I* and *II* to its provocative ending with preview clips from *Part III*, this film packs a sexual wallop that sends most current XXX offerings reeling. Except for the too-complicated plot that attempts–perhaps unnecessarily–to account for cast changes in some major roles, *Firestorm II* is a triumph of erotic filmmaking. Direction, acting, photography, sound, settings and costumes all live up to director Cecil Howard's lofty standards. Though all of *F II*'s nine sex scenes are highly charged, two in particular deserve special mention: the final scene that has John Leslie boning Rhonda Jo Petty, and the cocksucking sequence just before it in which Patrice Trudeau throats Ron Jeremy's ten-inch dong slowly, deliberately and repeatedly. When he finally shoots a load in her face and she smiles at the camera, you'll want to applaud. If there were a Nobel prize for fellatio, Trudeau would be on the plane to Stockholm tonight. For those who saw *Part I*: Plotwise, Tish Ambrose–who's taken over the Tina Marie role–is dumping Eric Edwards for Sharon Kane; new character Paul Thomas has been fucking Renee Summers, who may or may not be taking over Joanna Storm's role–this is *Firestorm II*'s big mystery–the Kay Parker character has been killed off, and John Leslie bribed his way out of jail, but now there are some scary-looking Arabs tailing him everywhere. If *Firestorm III* doesn't make sense of all this, at least it should give us such hard-ons, sense will be the last thing we'll want to make. *D. O.*

Patrice Trudeau and friend: A Nobel accomplishment.

TRISEXUAL ENCOUNTERS #5

Shot on Video.

Half Erect. Starring Angel Harris, Fakina Knight Lee, Sharon Mitchell, Cassandra del Rio, Cory Monroe, Jessica Gojorek, John Peters, Christie Michaels and Chris Thomson. Videocassette by L.A. Video.

Though generally assumed to be a minority preference, enough purchase-power-wielding weirdos are jumping onto the salami-toting she-male bang wagon that L.A. Video continues to churn out their *Trisexual Encounters* series. Despite initial shock value, most of the sex here is fairly regulation: overly made-up faces downing dongs, girls getting ass-fucked while their dicks hang swinging, girls getting their pricks licked by real men, a drag queen sucking pre-op prong, and a true man butt-burgled by his toothsome date's tube steak. The only real kink is Sharon Mitchell riding one end of a two-headed dong while the opposite head is crammed into a neither-nor's crapper, its balls and wiener flopping onto the dildo. Of course, none of these big-boobed penis poons actually shoots a wad, though one femme has a flaccid cum-shot. Maybe the guy sucking her just puked on it, a reaction that may be common among weak-stomached viewers of *Trisexual Encounters #5*. *–C. S.*

DIAMOND COLLECTION, VOLUME 80

Shot on Video.

Half Erect. Starring F.M. Bradley, Misty Regan, Tom Byron, Je Taime, Buffy Davis, Frank James, Billy Dee, Marc Wallice, Penny Morgan, Sheri St. Clair and Jeannie Pepper. Videocassette by Cinderella Distributors.

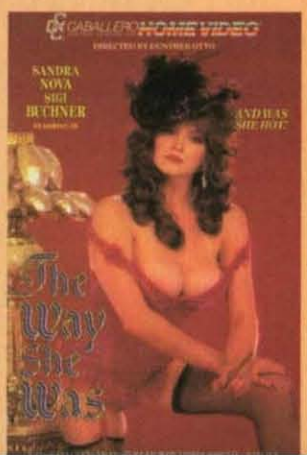
This octageneric segment of sex on the Diamond Collection installment plan has little to disappoint and a few definite pluses. Prime negative is that Volume 80 comprises only five clips; one has no pricks. Additions to prick heft and length result from the camera and blond Misty's tonsils zooming in on F.M. Bradley's ebony obelisk; booberiffic Buffy Davis, who batters her breasts with Frank James's cock, then batters his cock with her breasts and pulls her cunt wide, sticking that dick up her ass; Marc Wallice slipping his curved cock from Penny Morgan's turd garage and spilling semen all over her back crack and the balls of DP-buddy Billy Dee, who continues without wiping her off and mingles his cum with that already on Penny's butt; and Sheri St. Clair and Jeannie Pepper finger-fucking and eating pussy from each other's raised behind. Schlong shrinkage ensues when the girls stop short of rimjobbing, ending *Volume 80* on a deflationary note. *–C. S.*

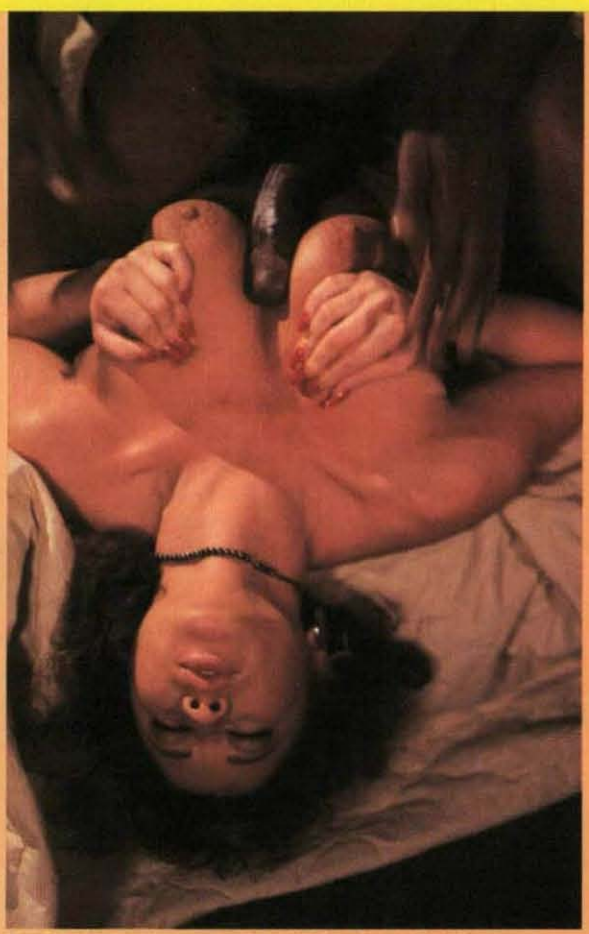
THE WAY SHE WAS

Shot on Film.

Three-Quarters Erect. Directed by Gunter Otto; starring Sandra Nova, Ernest Kraus, Sigi Buchner and Jurgen Winter. Videocassette by Caballero Home Video.

This third installment in the Josephine Mutzenbacher sex saga is not quite as good as the first two (*Sensational Janine* and *Professional Janine*). Instead of the blast-furnace heat of the first and the astonishing variety and quantity–20 or so–of sexual encounters in the second, this is a well-made, beautifully photographed, elegantly crafted film that has only seven sex scenes–sort of American-plan porn. There's no denying that *The Way She Was* is a better-than-average fuck flick, but in comparison to its predecessors, it's somewhat off the mark. If it's true, as rumor has it, that German mainstream film director Werner Herzog is the real director of this series, he must have had something else on his mind while *She Was* was being lensed. Still, if you can get past the idiotic voice dubbing, there are sexual treasures to be enjoyed, notably the orgy-finale–attractive people at last!–and a novel bone rub for which two girls back their buns together, trapping a cock in their common crack, and then slide their cheeks up and down the slick shaft. There's also a terrific mouth/pussy DP of voluptuous Sandra Nova, the latest Josephine, by two soldiers. Two more Josephine films are reportedly on the way. Let's hope they turn out more the way things were than *The Way She Was*. *–D. O.*





***Black dick-dorkings and facial splats highlight* Dick Black.**

THE ADVENTURES OF DICK BLACK, THE BLACK DICK

Shot on Video.

Half Erect. Directed by John T. Bone; starring F.M. Bradley, Tiffanie Storm, Jeanna Fine, Jack Baker, Tiffany Rose, Melba Cruz, Herschel Savage, Renee Summers, Mike Horner, Billy Dee and Jean DeVille. Videocassette by Dreamland Home Video.

Boner fide soul brothers F.M. Bradley and Jack Baker costar as an Amos 'n' Andy pair of boot-lipped gumshoes in this sperm-spattered snooper-show spoof. *Black Dick*'s pacing is existent, scripting is adequate and star charisma is at least debatable, but the real attraction is baby-faced Renee Summers, bone-happy blonde Jeanna Fine, shaved-cunt colored-cooze Jean DeVille, incorrigible mixed-blood slut Tiffanie Storm, tattooed quadroon beauty Tiffany Rose and Melba Cruz, a Melissa Melendez with enthusiasm. A group of Mr. Big Dicks righteously dig these bitches, putting them through a plethora of positions. Particularly florid arrangements include Fine, very pretty in her Madonna 'do, throating Bradley's black master johnson before getting fucked like a dog and chewing the sheets as large dollops of dork drainage drop on her back; Cruz in garter belt and stockings grinding gash into Billy Dee's face, then taking a shot on the chin; and Rose on her back for a homestretch from Mike Horner, which finishes on her face, as do many of the male milkings in *Adventures*. *Dick Black* ends with the promise of a sequel. It's one black dick we'll be glad to have back. *–C. S.*

LEGENDS OF PORN

Shot on Film.

Three-Quarters Erect. Starring Marilyn Chambers, Annette Haven, Georgina Spelvin, John Holmes, Seka, Veronica Hart, John Leslie, Candy Samples, Rene Bond, Eric Edwards, Tina Russell, Sharon Thorpe, Jamie Gillis, Lesllie Bovee, Vanessa Del Rio, Colleen Brennan, Harry Reems, Jesie St. James, Richard Pacheco, Desiree Cousteau, Nancy Suiter, Darby Lloyd Rains, Linda Wong, Paul Thomas. Videocassette by Cal Vista.

The recreational viewer of this two-hour compilation of famous and obscure splats from the past may be intimidated by narrator/historian Jim Holliday's wealth of carnal knowledge. But, like W.C. Fields, Holliday maintains, "We must strive to educate and uplift, as well as entertain." Most of these clips boast the crisp, lifelike look of quality filmwork, with an array of skin performers that is an eloquent plea for fuckhole variety. The female *Legends* share a desire to fuck that you can practically feel running down your leg. Watch the facial spasms of Marilyn Chambers as she takes the big end of John Holmes's log in her ass, then begs for more. Look at all that cum on the face of little Linda Wong. Cream over the flawless, ivory-smooth bod of Annette Haven. Stop and say, "Wait a minute. Why isn't there more of Annette Haven?" Oh, and see Veronica Hart's tongue slipping into Seka's asshole, and Jesie St. James's extensive crack lick of Richard Pacheco as he bends over a chair! "Hold on, Holliday, you're going too fast!" In trying to cram too much into one tape, most of the encounters end too quickly to satisfy the serious stroker. Ideally, Holliday should do a series of ten one-hour packages, which would leave serious and casual students enlightened. *–C. S.*

Legends: ***Colleen Brennan's is only one of more than 50 scenes.***

HOT SPOT

TRACEY ADAMS

Though she's probably been fucked by every pud in porn–with the possible exception of Buck O. Rogers–this creamy wench, after two years, shows no signs of wear and tear. Durability aside, what sets Tracey apart from every other X-actress is her natural elegance. This smoldering beauty is so cool, she could spend 20 minutes on her knees with a dick in her mouth at a formal reception and not seem out of place. Look her up in new releases This Is Your Sex Life, Tracey and the Bandit *and* Moonlusting II.

MAXIMUM HEAD

Shot on Video.

Half Erect. Directed by Gerard Damiano; starring Robin Lee, Sharon Kane, Brittany Morgan, Frank James, Buddy Love, Blake Palmer, Pat Manning, Jesse Eastern, Ray Victory and Robert Bullock. Videocassette by Essex.

It's a shame to see porn pioneer Gerard Damiano slumming it with *Maximum Head*, an inept comedy-spy story that only occasionally shows the slightest crackle in its carnal couplings. As the title implies, this tape will appeal mostly to head freaks: There's lots of knob-jobbing and little emphasis on fucking. The wafer-thin plot has three government agents (Robin Lee, Sharon Kane and Brittany Morgan) out trying to find the Russkis by utilizing their newest secret weapon: Maximum Head. Supposed to be able to drain secrets as well as sperm from potential informers, the girls try their best, but only inspire a mild peckerperk. Robin Lee, showing real star potential, comes across the best. Now if she can only learn to display some emotion while receiving pink pole. All attempts at humor fail, from the horrible *Get Smart* theme to the idiotic means the girls have of communicating with each other: via Lee's tits and a powder box that keeps blowing talcum. This from the man responsible for the original *Devil in Miss Jones* and *Satisfiers of Alpha Blue*? Tsk-tsk. *–S. L.*

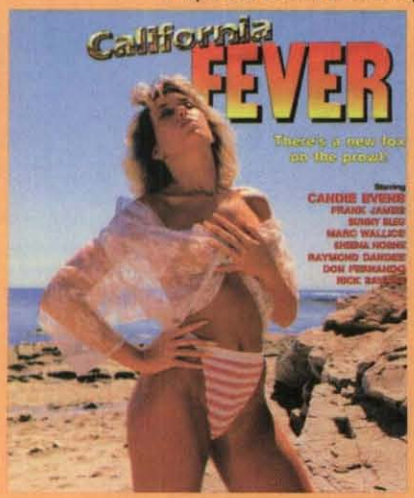
Sharon Kane and Brittany Morgan extract secrets in Maximum.

CALIFORNIA FEVER

Shot on Video.

Totally Limp. Directed by Jack Genero; starring Candi Evans, Frank James, Bunny Bleu, Marc Wallice, Sheena Horne, Raymond Dundee, Don Fernando and Rick Savage. Videocassette by Cal Vista.

In this egregious cautionary tale of a young girl freshly moved to California from Ohio, Candi Evans paces Sheena Horne and Bunny Bleu as they pretend to be incredibly shallow, lame chicks. We see Candi take a banana out of her bag, peel it, watch a windsurfer and chew the banana. A sappy acoustic guitar strums in the wind. The tone of the film has been set. Prepare to endure uninterrupted expanses of the most pointless footage ever lensed. Candi puts her hands in her pants. Sheena Horne, on the other side of the room, puts her hands in her own pants. Sheena exits, closes a door, and the girls go to sleep. Prepare to join them. *Fever* has four fucks and a blowjob. Lighting is at times so atrocious that penetration must be taken on faith, a quality that many porn viewers do not possess in excess. It's hard to believe somebody actually made this movie; it's unfathomable that anyone would sit through it without being paid to do so. *–C. S.*

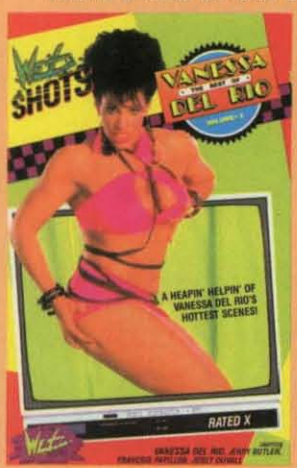


THE BEST OF VANESSA DEL RIO, VOLUME 2

Shot on Video and Film.

Three-Quarters Erect. Starring Vanessa Del Rio, Jerry Butler, Francois Papillon, Jose Duval, Tom Byron, Steve Powers, Peter North, Marc Wallice, Angelique, Roger Scorpio and Adam Ladd. Videocassette by Wet Video.

Defying several laws of physics and all the principles of ripoff porn marketing, *The Best of Vanessa Del Rio, Volume 2* is every bit as goopworthy as *Volume 1*, and maybe even more so. *Volume 2* kicks off with deep-dish Del Rio opening wide as Roger Scorpio, wearing a strap-on dong, prongs her poon with his dick and his dildo at the same time. The weirdness never wanes from here on out, with the famous five-stud gang-bang from *Deep Inside Vanessa Del Rio* being a typical portion of this dick-handler's delight. What more could the demanding cock-owner ask for? How about Del Rio's man-sized clit ramming into Francois's balls until he shoots penile pellets up her back? How about Vanessa indulging in a kiss with some blond bitch who happens to have a big cock, which somehow manages to jerk off on Del Rio's mug? How about a men's-room fuck, with Vanessa's tongue ass-wiping before she sucks cock on a toilet rim? Or how about the indignant Latin slapping and punching after she's been ass-fucked against her will? Seed-spilling thrillseekers will find what they're looking for in *Best of Vanessa 2.* *–C. S.*



Francois Papillon gets the best of Vanessa Del Rio in Volume 2.

SAFE SEX

BY TERESA KERN

The meaning of the catchy "Safe Sex" buzzword is still being debated as the hysteria about AIDS and other diseases heats up. It's hard even for trained cynics to sort out the sensationalism from the journalism regarding Acquired Immune Deficiency Syndrome, AIDS-Related Complex, who is affected and how the diseases are actually spread. HUSTLER has always advocated sexual *responsibility*–an intelligent, adult approach to sharing physical intimacy, from preventing pregnancy or the spread of disease to honest communication about pleasure and desires between consenting sex partners.

This informative, no-nonsense guide kicks off HUSTLER's monthly look at a situation that demands serious attention. Our new *AIDS-Watch* column will report *true* scientific news and social developments, examine testing and treatment, draw a sharp bead on media coverage and otherwise give you no-bullshit HUSTLER-style coverage. Some issues will demand treatment as full-blown HUSTLER articles–like this guide to a comprehensive perspective on safe sex.

SAFE SEX

Good condoms may very well eliminate the risk of passing AIDS, but as pregnancy inhibitors, they suck.

The havoc wreaked by AIDS has at least indirectly affected everyone's lives. Due to the media's hunger to report even the most far-out development that passes for something new, a sexually unaware public finds itself spinning in a whirl of seemingly conflicting information and sexual guidance filtered through the prudery of family newspapers.

Somewhere in all the flurry of the usual mystical dust that covers sexual reportage is ugly reality raising its head–people are dying from AIDS, and it is sexually transmitted. What follows is a look at the reality of AIDS and your sex life, as well as other sexually responsible behavior.

Guides to safe sex are available, including *The Complete Guide to Safe Sex*, put out by the Institute for the Advanced Study of Human Sexuality, and *The Essential AIDS Fact Book*, prepared by Paul Harding Douglas and Laura Pinsky with the Columbia University Health Service. They outline and detail the procedures for testing, symptoms of infection and practices to avoid as well as to develop AIDS. Safe-sex manuals usually include itemized lists of what's out, what's iffy and what's okey-doke, taking the guesswork out of modern sex, at least for the time being. First, a look at what there is to fear:

AIDS–The Big One. This is the acronym for Acquired Immune Deficiency Syndrome. It started out looking like this and ARC (AIDS-Related Complex) would only kill homos, junkies and the like, but it's being billed more and more as the plague of the modern age. The National Academy of Sciences predicts AIDS could claim the lives of 50,000 Americans by 1991, equaling our losses in Vietnam. In fact, the World Health Organization has issued a report saying we could be facing two million AIDS deaths per year.

STDs (Sexually Transmitted Diseases)–the new name for the old social or venereal diseases. Although these have been around longer, the clap (gonorrhea) and syphilis have a new cousin–herpes, which although controllable, is so far still incurable. Evidence now shows that it can be passed on even if there are no visible outbreaks.

The unsung STDs–genital warts, intestinal parasites, Chylamydia and yeast infections (candidiasis) demand just as persistent attention as their more famous counterparts.

"Miscellaneous drawbacks" to irresponsible sex are old standbys such as crab lice and unwanted pregnancies.

All these potential consequences may make getting laid seem like it's not even worth the effort. Lots of folks have given up sex entirely, choosing to abstain rather than take all those risks. Charles Felson, a Mobile, Alabama, social-security worker, tried celibacy for a couple of months. "Christ, I was cranky. I ran to the 7-Eleven to buy a carton of Kools, and by the time I got home, my wife had herself gift-wrapped in $100 worth of lingerie, greased up for grand buggery and begging me, 'Please!'"

Stuart Goldman, a Los Angeles-based columnist and cynic, has been celibate for more than two years. Originally, he gave up sex after having been involved in an obsessive sexual relationship that tapped more than his balls.

"I was literally a sex addict at one point," he says. "I was having sex every minute of every day until I was finally depleted psychologically and spiritually as well as physically." He said that going cold turkey on fucking was just like kicking a drug. Today he channels that energy into his work.

Most abstainers eventually figure it is worth the effort to find sexual pleasure with precautions. Women who never even considered using condoms now stock up by the dozen. A full 40% of condom sales are made to women. Much to the newly careful fuckers' suprise, safe sex is not only tolerable, but it can be downright fun.

And what better way to achieve high-risk titillation with low-risk participation than with a VCR running in front of you? There's nothing wrong with playing it safe in your living room, straight fucking with rubbers while you watch some bimbo who looks like Linda Lovelace get fucked in the ass by some hot-looking stray dog. It's just like the TV assholes used to warn, "Kids, don't try this at home."

Most of all, remember *never* to exchange bodily fluids. This means no cocksucking without a rubber, even without orgasm, no cuntlapping, no shooting your wad into your chick's ass, pussy or mouth–or even on her face if she has any broken skin or active herpes.

Sounds great, eh? Well, while you're at it, don't forget about making babies. Pesky sperm devils have an incredible ability to escape condoms. Good condoms–the ones that don't slip off during intercourse–may very well eliminate the risk of passing AIDS or other

Those lips, those eyes, that hair . . . for a startling moment upon first meeting beautiful Barbii Hall, it's hard to believe you're not looking at Traci Lords. And, indeed, it's Barbii's goal to follow in Traci's footsteps, blazing a cum-soaked trail across blue-cinema screens everywhere. As of this writing, Barbii has not appeared in any adult films–she's virgin talent, so to speak. But after this awesome display of her assets, we'd be amazed if porn producers everywhere weren't beating a path to her door, among other things. Good luck, Barbii.

It is everyone's responsibility to know whether or not he or she is carrying and transmitting the virus.

STDs, but as pregnancy inhibitors, they suck.

The best way to avoid a nookie encounter of the knocked-up kind is to keep company with a woman who takes the Pill. Birth-control pills have a success rate in preventing pregnancy of more than 98%, beating the diaphragm and spermicide cocktail. Other insemination-inhibiting methods range from sometime toxic-shock-syndrome-producing contraceptive sponges to the age-old (but not terribly effective) withdrawal method.

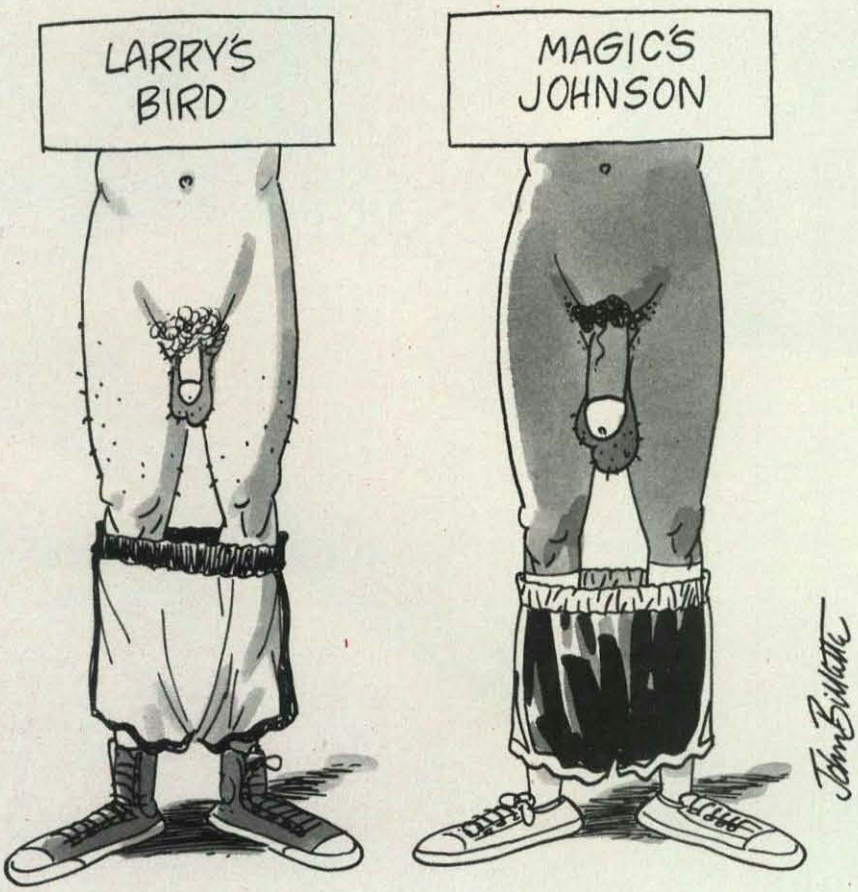
The only 100% sure solution short of cutting off his and hers is to have the tubes fixed. Hairdresser Gloria G. of West Hollywood, California, said, "Surgery is no picnic. For three days I felt like I'd been hit by a truck, but after that everything was rosy. Now I get fucked at least once a day and never get preggers." Many men who've had vasectomies say it's a great relief.

About AIDS testing: Human Immuno Virus (HIV) antibody testing is often incorrectly referred to as "AIDS testing." Having HIV antibodies does not mean that the person has AIDS now or will develop it or ARC in the future, nor can the antibody test detect the virus itself, according to *The Essential AIDS Fact Book*. All a positive result means is that the person has been exposed to the virus at some point and is capable of transmitting it.

And there is more to it than just one test. HIV results are a composite, arrived at after studying the results of a battery of individual tests. There are pros and cons to the issue of getting tested–things to be considered include accuracy of the testing facility and anonymity or strict confidentiality for the test result data.

For complete accuracy, two complete tests must be done. First, the ELISA determines the possible presence of HIV antibodies. If this test is positive, a Western Blot test is done to confirm that HIV is definitely present. A single negative ELISA proves that the person being tested has not developed the antibodies and, therefore, has not been exposed. Two positive ELISAs and one positive Western Blot reliably prove the presence of the antibody.

There is also a four- to six-month "window" to consider: the time it takes the body to develop HIV antibodies after it has been exposed to the virus.



While a positive result means only that the subject has been exposed and can pass along the virus (not that he or she has AIDS), a negative result should not be interpreted as an immunity to the AIDS virus. It just means that the body has not developed the antibodies.

Deciding whether or not to be tested can be rough if you can't be tested in anonymity. Find a test center that offers a counseling program for either test result. It is everyone's responsibility to know whether or not he or she is carrying and transmitting the virus. Here are some symptoms of HIV infection:

- Unexplained swollen glands (lymph nodes) for more than three months. Lymph nodes swell in response to any infection, and simple swollen glands are no cause for alarm.
- Unexplained fever for more than ten days. A short fever is another part of the body's defense to infection.
- Drenching night sweats–waking up soaked to the point of needing to change clothes or bedding.
- Prolonged fatigue that cannot be explained by emotional depression.
- Persistent severe diarrhea. This can be caused by any number of things, including unusual food, change in diet or even simple anxiety.
- Unexplained significant weight loss (more than 10% of ideal body weight) not due to dieting or exercise.
- Oral candidiasis or thrush (a thick whitish coating of the mouth or tongue).
- Dry coughs, colds, sore throat (in nonsmokers) lasting several weeks.
- Recent appearance of purplish or discolored lesions of the skin or mucous membranes that do not go away and gradually increase in size.
- Testing and/or counseling are important steps toward getting a handle on AIDS. If you're nervous about the virus, contact the AIDS Information Hotline at (800) 221-7044.

Some seekers of disease-free sex have returned to monogamy. This is a deceptive measure and not high on the list of "recommended" safe practices, simply because few bedmates can really be trusted.

When it works, it's great. Both partners get tested for the AIDS antibody (and any other STDs). There is a window of about six months for the HIV test, which means the average human takes that long to produce the detectable antibody after exposure. So a test taken today only measures a subject's exposure up to about six months ago. If a person was exposed more recently than six months (or after his blood was tested), he could still be in the process of developing

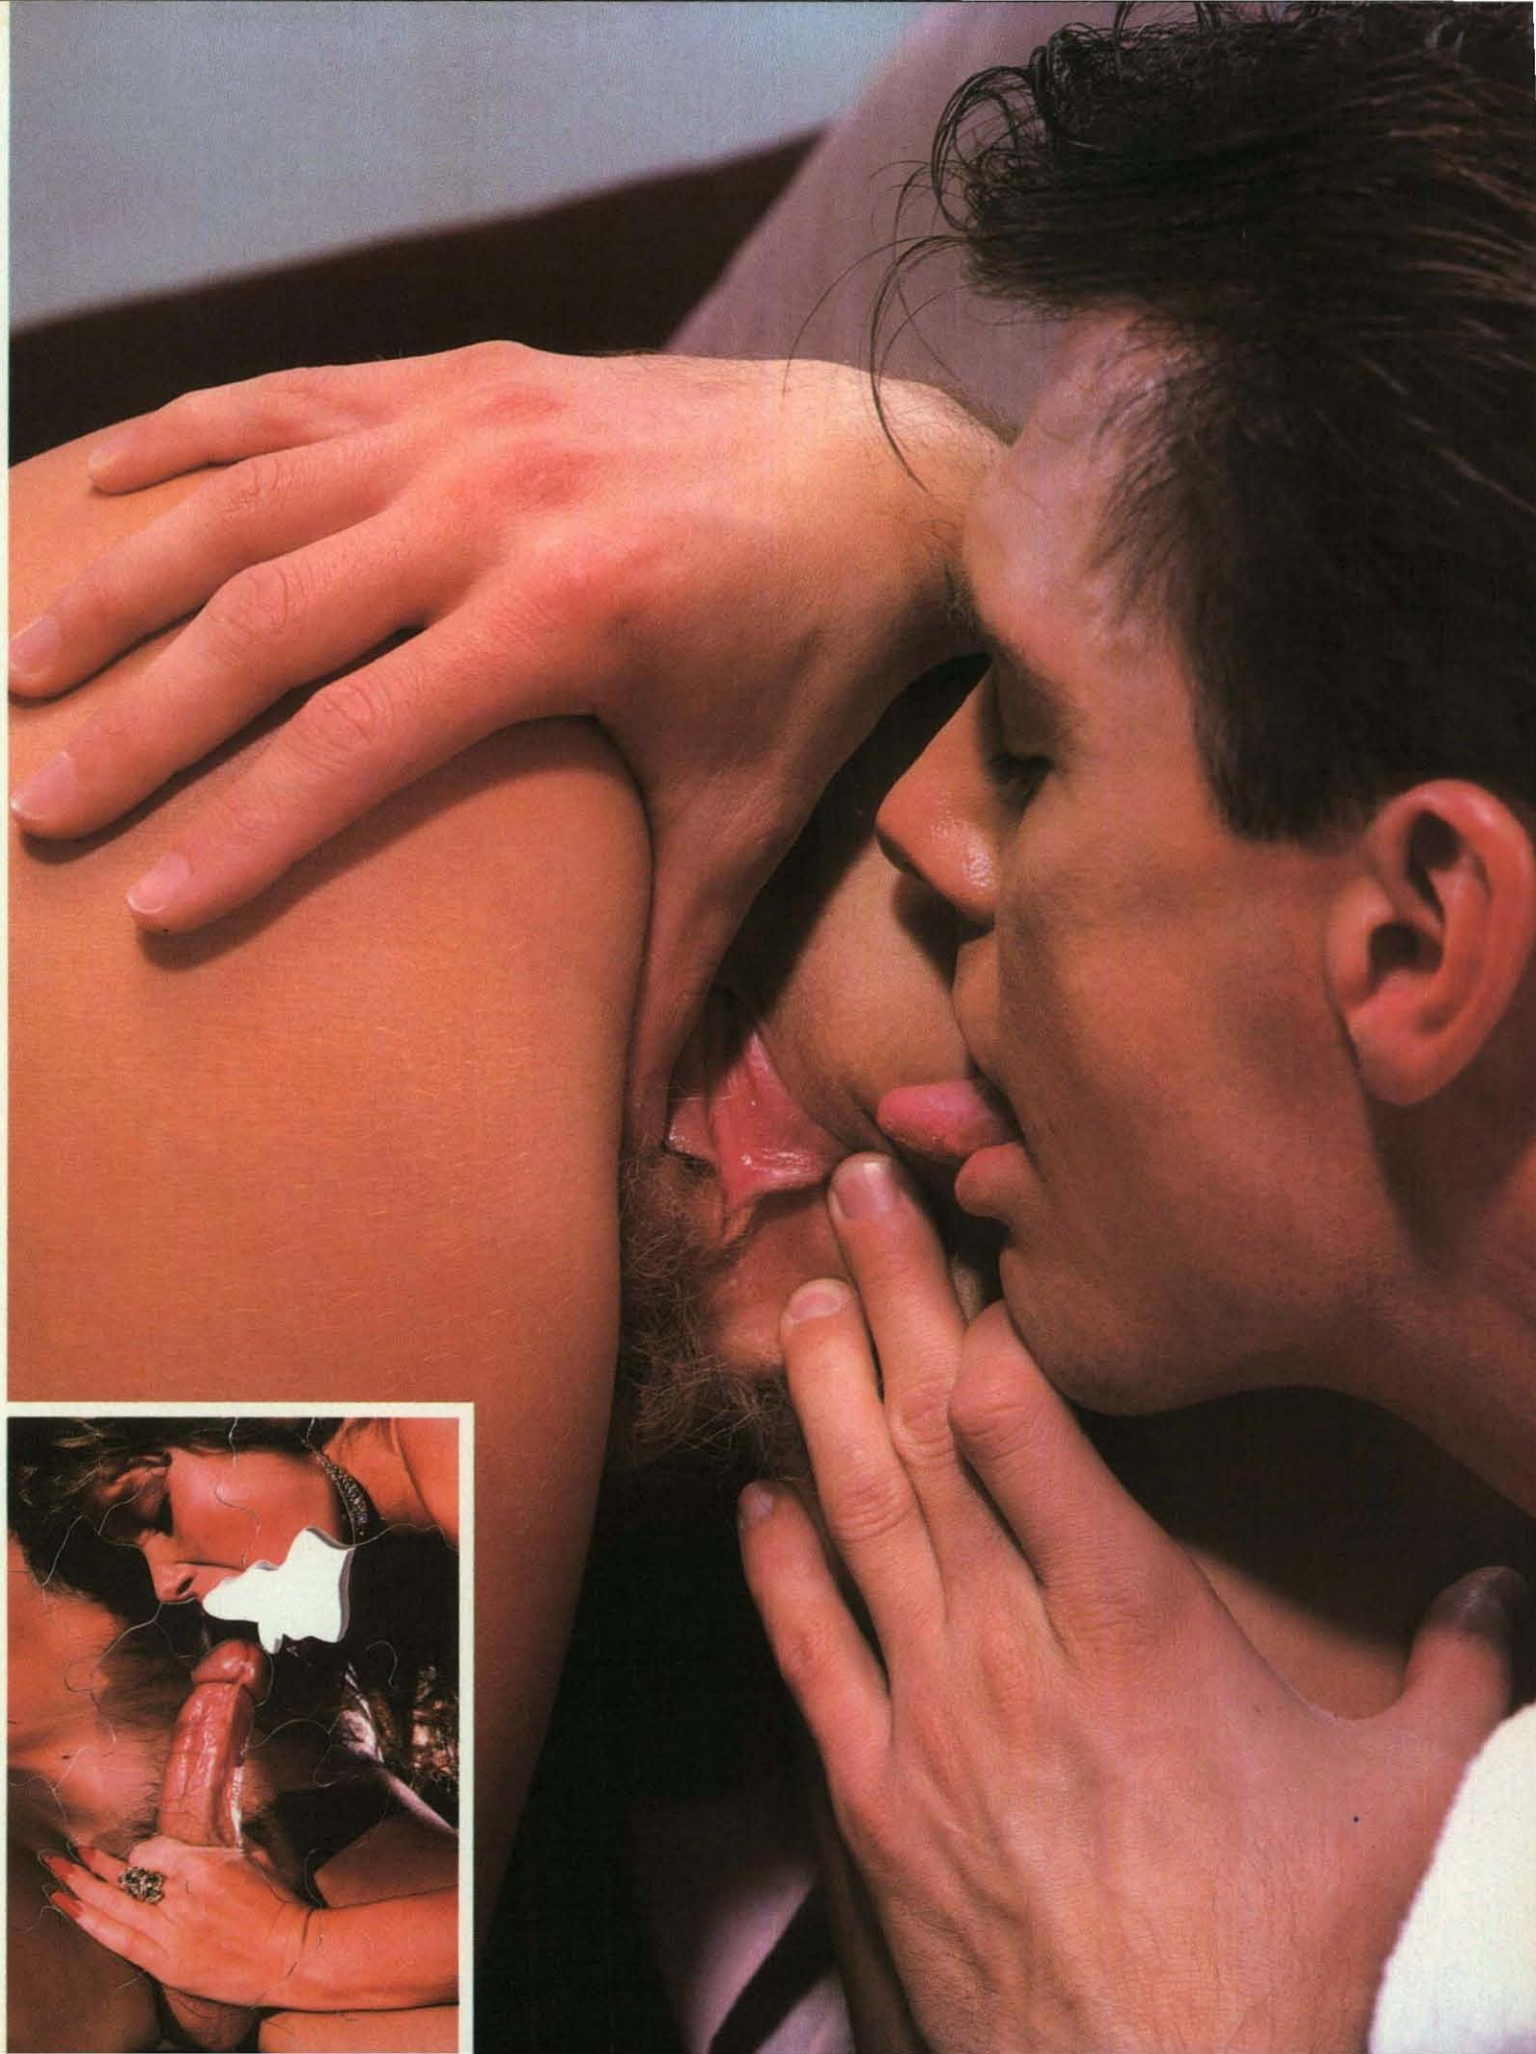
There's no mystery about why new lovers Ron and Sherry started their evening with plans to work on an X-rated jigsaw puzzle. They always look for new inspiration to try to fit together the pieces of their emerging sex lives. It takes constant exploration of the carnal cutout to stuff the right piece into the right hole.



Ron and Sherry turn to each other for a prurient perspective that gives them the proper angle for plugging in the scene in just the right order. By the time the last hole is filled, Ron and Sherry reach completion too. We don't have a clue as to what their next trivial pursuit might be.

Once a fuck buddy has been obtained, there is still a whole slew of wonderful naughties to avoid.

the antibody at the time of the test. For this reason, health professionals and testing centers recommend a second test six months after the first, just to be on the safe side. If the results come back clean both times, great. Now find someone else who's clean.

Some singles clubs advertise that all their members have been screened and found to be disease-free. Basically, everyone's there to get fucked, one way or another. Some really are seeking a meaningful relationship to last at least until the AIDS scare passes. Some are looking for marriage partners. And some are looking to get off without having to pay anything other than cash.

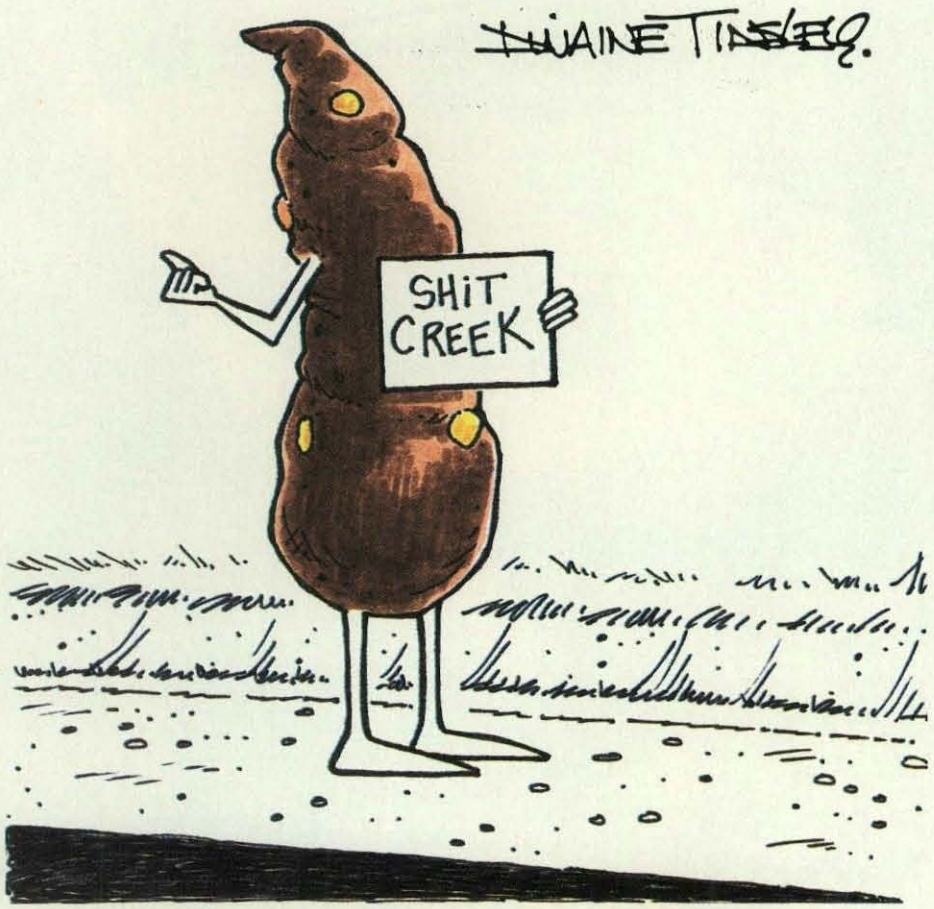
"Clean clubs" are springing up all over the country. In West Bloomfield, Michigan, Peace of Mind offers members the promise that everyone enrolled is AIDS-free. In Manhattan, the Ampersand Singles Club requires a clean bill of health–including a negative AIDS test–for membership.

Clubs like these exist in Vermont, Massachusetts and in several other states by now. In West Bloomfield, Peace of Mind costs $649. This includes a list of local bars where their members hang out as well as a membership card and an ID pin with the club's insignia.

Ellen Goodman, a writer for the *Los Angeles Times*, feels these clubs are sleazy and misleading. Not only do the tests not cover the person's activities six months prior; they say nothing about what he's done the day after his blood was drawn. She adds, "Unless the club tracks its members and draws blood with the vigilance of the FBI, it's no more risk-proof than the rest of the world."

Whether it's a meaningful soul mate or just a clean, hot fuck buddy, there is a lot to be said for finding one and sticking with him or her. Playing the numbers is no longer safe. It's time for some real trust and concern.

Once a fuck buddy has been obtained, though, there is still a whole slew of wonderful naughties to avoid. Way up high on the disease-potential scale is anal intercourse, but there are ways to make it safer. Start by having the inserter wear one or more condoms. Nonoxynol-9 (a spermicide found in many brand-name birth-control products) is known to be effective in killing the AIDS virus while it is still outside the body. Unfortunately, its effect on rectal tissues is not known, and it may actually be an irritant.



Of course, if neither party has been exposed (confirmed by more than one test) to the AIDS virus, neither party would have the antibody to pass on to his or her partner, making anal sex just as safe or unsafe a practice as any other.

Other high-risk activities include any exchange of fluids, including rimming (asshole licking), which is a great way to get genital warts and intestinal parasites (microscopic bugs that take up residence in the guts and kill you from the inside out with diarrhea, vomiting and high fever).

Diseases love blood; so if you or your partner has any broken skin, be extra careful to keep all your fluids to yourself. This includes oral sex if either one has a raw throat or bleeding gums. Take extra care around any visible cuts, scratches or needle marks, especially needle marks.

Activities in the gray areas, presumed to be okay but that could turn out otherwise, include the following:

French kissing: Although there's no major evidence that HIV thrives in saliva, more than one healthy case of herpes has come from sucking face.

Cocksucking without condom or coming: This is bad for the same reason that pulling out is not a reliable form of birth control. There is a sufficient amount of sperm in pre-cum to get a girl pregnant. This little bit of semen may be all it takes to achieve HIV contamination as well. Any laceration in the cocksucker's mouth only adds to the potential danger.

Cuntlapping without the addition of a latex barrier: The thought of sucking pussy through Saran Wrap is absurd, but some data do find HIV in vaginal secretions, even if in very small levels; so consider your partner's track record before muff-diving. If you decide on the latex, try finding an oral dam through a local dental supplier or order a Safe Sex Kit from P.O. Box 6785, Beverly Hills, CA 90210.

Water sports or fecal feeding: Obviously, playing with urine or feces can be dangerous. Don't eat shit, don't drink piss and don't let anyone dump on your open sores or broken skin.

Once the decision to take control and responsibility has been made, consider the options. The challenge is to make things that weren't terribly erotic into major turn-ons.

Like condoms. Stevie Toledo, who takes her name from her hometown in Ohio, has a condom trick others can try at home: "I learned to slip one on Mr. To-

I feel sex is the greatest pleasure life has to offer," says sexy Sylvie. "It's what makes life worth living." Yet, in spite of her carnal appetites, Sylvie has taken some time off to get away from the men in her life. She's found her own little bit of heaven right here on Earth, in her hideaway island resort. Right now the only sexual release she's getting is in the realm of fantasies. Still, she knows she'll be home soon enough. Thinking of her favorite man, Sylvie muses, "After all, they say absence makes the fond grow harder. I can't wait to find out if that's true."

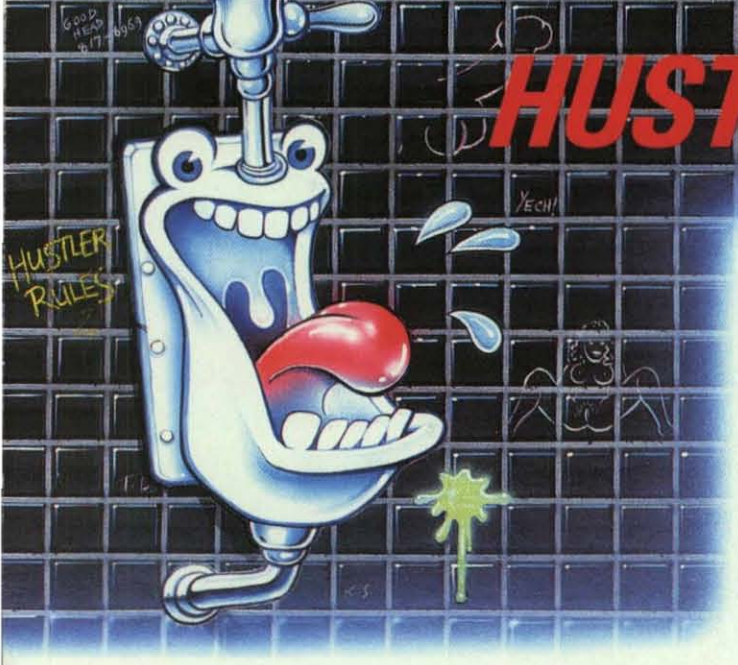
HUSTLER HUMOR



A hick farmboy took a trip to New York to visit his cousin. They passed a fancy disco and saw all kinds of beautiful women going into it. The farmboy asked his cousin, "How can I get into a place like that?"

"First thing," answered his cousin, "you need an $800 suit and a pair of alligator shoes."

The farmboy went down to the Louisiana bayous. Two weeks later he showed up at his cousin's house in New York, bandaged from head to toe and swearing at the top of his lungs.

"What happened?" his cousin asked.

"Those fucking alligators tore the shit out of me," the hick swore. "And on top of that, every one I caught was barefoot!"

A drunk driver who killed a family of four three years earlier was arrested for another fatal collision. When asked by the judge why he still drank, the drunk replied, "To forget!"

Question: What do you call rats on Capital Hill? Answer: Meese.

A prostitute was trying extremely hard to pull a trick. After no luck at all, she decided to move to another block. On her way she noticed a sign in front of a church reading, "If you're tired of sinning, come on in." After contemplating the sign for some time, she reached into her purse, pulled out her lipstick and wrote, "If not, call 555-6862."

Three voluptuous prime-time beauties dived into the water as the gun sounded for the 100-yard breaststroke in a televised athletic battle pitting teams of network stars against one another. Two of the swimmers got off to a fast start, leaving the third in their wake. By the time they had finished the 100 yards, the third girl was just making her turn. Her costars waited dismally by the side of the pool as she slowly swam home. As her teammates pulled her, gasping and coughing, from the water, she croaked, "They cheated! They cheated!"

"What do you mean?" the shocked TV announcer asked.

"Didn't you see?" the busty beauty panted. "They used their arms!"

A priest went on a fishing trip in Canada with a local guide. Late in the day, the priest hooked a monster of a fish that put up quite a struggle, but was finally landed.

The guide said, "That's the biggest son of a bitch I've ever seen."

"Please watch your language," the priest said. "Although I'm not wearing a collar, I'm a priest."

"Oh, son of a bitch is the name of that type of fish," the guide explained.

So the priest took his catch back to the parish house, where he explained the odd name to the nun who fixed meals. That evening the priest and nun were joined for dinner by a new priest in the parish, a young black man.

"Mmm, this is one tasty son of a bitch. I'm glad I caught this son of a bitch," the priest said.

"It was my honor to clean and prepare this monster son of a bitch," the nun chimed in.

So the black priest said, "I've only been here a few hours, but I like you motherfuckers already."

The HUSTLER dictionary defines *cautious* as: when you drop your keys in San Francisco and kick them all the way to Seattle before you bend over to pick them up.

A gentleman, upon boarding his plane for his flight to Chicago, found himself seated beside the most gorgeous woman he had ever seen. A conversation began between the two, and she revealed that she held a doctorate degree in anthropology and that she had studied all over the world. She told the gentleman that her studies revealed that the American Indians had the largest penises and that the Jews were the world's best lovers. As they fastened their seat belts prior to landing at Chicago, the woman stated, "We have talked all the way here, and I don't even know your name. What is your name?"

The gentleman replied, "Tonto Horowitz."

Peddling his wares in the West, a traveling salesman stopped in a bar . . . and stayed just a bit too long. Becoming rather drunk, he started decrying the state of the economy, a tirade which he concluded with a bombastic, "The President's a horse's ass!"

That was too much for one of the patrons to bear. Rising from a group of friends, the burly man walked over to the salesman and cautioned, "I'd hold my tongue if I were you, stranger."

"Why?" burbled the salesman. "How can you *like* that horse's ass?"

"We don't," he replied, "but this is horse country."

Strangehold

by
Rick Woods

"Hey, baby, you wanna date?"

"Yeah, hop in."

"You a cop?"

"No. Are you?"

"Hell, no. I'll show you my pussy to prove it."

"That looks good."

"Now show me your dick. Oh, baby! How much you wanna spend?"

"All I got is 20 bucks."

"A blowjob in the car is $30."

"How 'bout $25?"

"Well, okay. But only 'cause I ain't that busy right now. Go 'round the corner and park in the alley."

"So one of your pimp boyfriends can rob me? No. I know a better place."

"Say, you ain't no freak, is you?"

"Just relax, and you'll get another $25."

"All right, but don't try nothin' strange. Just a blowjob."

The old Cadillac cruised through an industrial section of town, finally coming to a halt in an underground parking lot. The hooker eagerly lapped her trick's prick, working her tongue quicker. She fucked him furiously with her makeup-smeared face. He groaned and pushed her down farther into his lap. The whore took him whole, then slowly slipped his dick from her mouth, sliding her hot tongue along the underside of his cock, then swallowing him whole again. He blasted spunk, spraying her tonsils.

Lost in a lust trance, relishing her power to produce such obvious ecstasy, her face buried in his crotch, there was no way she could've seen it.

She never knew what hit her. As she started to raise her head, cum dripping from her lips, he roped a wire around her throat, pulled it taut and jerked her head back so hard that it snapped her neck.

* * *

"Hey, fat boy, guess what? We got another one. Number 13. Can you fuckin' believe it?"

"Goddammit," moaned Detective Frank

STRANGLEHOLD

Lost in a lust trance . . . her face buried in his crotch, there was no way she could've seen it.

Hawkins. "What is that guy tryin' to do? Kill us too? The captain ain't gonna be too happy 'bout this."

"No shit, Watson," Detective Jack Thompson whined pitifully. "He's gonna ream our asses good. Again."

"Well, we might as well get it over with," Hawkins belched, cursing the greasy pastrami he'd had for lunch.

It had not been a good month–three murders so far. It had not been a good year: 13 murders, all by the same perp, or perps, they thought. All hookers. All strangled. Hawkins and Thompson were part of a huge investigation team that had hundreds of clues, but no suspects.

Thompson and Hawkins were frustrated. The two old cops had 57 years of experience between them, and this was, without a doubt, their toughest case. Carefully, they went over the case for the millionth time as they drove to the warehouse where the latest victim had been spotted.

"Okay, what haven't we checked out that we shoulda?" Hawkins barked.

"I don't know. Seems like we've gone through everything–at least ten times," Thompson muttered.

When they got to the warehouse, they had to fight their way through a crowd of curiosity seekers and a swirling swarm of reporters.

"Shit! How'd these assholes get here so fast? Their contacts are better than ours," Thompson hissed.

"I just wish these jackals would help us catch the motherfucker instead of reporting that tripe they call news."

"Detectives, is this definitely the work of the Strangler? Are there any new leads? Do you have a suspect? Do you have any reaction to allegations that the police are dragging their feet on this investigation and not using their best personnel because all the victims were known prostitutes and members of a minority group?" A pretty, vacant TV-type fired questions Uzi-style at the cops.

"Fuck you," Hawkins sneered. He'd lost his patience.

"You can't even get it up, fat fuck," she countered, muttering under her breath.

Thompson snickered. "She's got balls, and she looks like she knows how to bust yours too."

"Did the President know you gave toys to the contra kids?"

"Shut your fuckin' trap, Thompson," Hawkins shouted, as they plunged through the wave of reporters.

The scene was chaotic outside, but the inside of the joint looked like somebody's bad dream. Too many detectives had been stomping around, probably destroying anything of value to the investigation. The lab boys had been and gone.

"This looks like a waste of time," Thompson grumbled. Hawkins nodded, and they lumbered back outside, where the TV girl was waiting for them, an evil gleam in her eye.

"Detectives, can you describe the scene inside for our viewers? Was it the Strangler? Is there any new evidence?" The cops stared at her dumbfounded. They were amazed by her mouth. How did she make it move so fast?

"Maybe," Hawkins smiled, staring at her sensual lips and licking his own.

"We can't discuss it here," Thompson whispered in her ear, while leering at the outlines of her areolas and stiffening nipples pushing against her sheer, summerweight silk blouse. Her tits were as big and full as ripe melons, and the cops were eager to taste them.

"Where can we talk?" she pressed.

"Meet us at Max's on Sixth. About 7:30, okay?" Hawkins really wanted to show this little cunt just who could or could not get it up.

"All right. But you guys better not be jerking me around. My time is worth a lot of money."

"We wouldn't do that, sweetheart." Thompson was really laying it on thick. "We'll give you something really hot."

Tracy Nelson, one of the city's hottest newscasters, knew what these two overgrown Romeos wanted. But she also knew that they had some information about the Strangler that would be worth whatever these aging Casanovas could want. If she could get a scoop on the Strangler, her ratings would skyrocket.

After several quick doubles at Max's, she suggested they follow her to her place for a little more privacy. She didn't want to waste time; so she started a sexy striptease as soon as she walked in the door. Drinking made her horny; and her pink-lace, crotchless, see-through panties revealed a love box that longed to be shifted into overdrive.

Hawkins and Thompson charged her. Hawkins pulled her mouth to his and crammed his tongue inside while squeezing a handful of tit. Thompson sank to his knees and buried his face in her muff. Then they got serious. Tracy bent over, and Thompson took her from behind, while Hawkins aimed for her face.

Tracy thrust back against Jack Thompson, her groans of pleasure muffled by Frank Hawkin's massive hard-on. Faster

and faster, the cops hurled themselves into her caverns. Frank crammed his meat farther down her throat. Hawkins wanted to fill that pretty, nonsense-spouting mouth with something real. She spewed out pop-reality on the tube; he'd fill her full of hot truth.

Thompson responded to Tracy's silent gestures; her mouth was too full of cock to utter anything more intelligible than a gurgling moan. She wanted his prick up her ass, and Jack obliged, pulling his prick from her pussy, priming her brown-eye with cunt juice, then sliding into her blossoming rosebud. This girl wanted it hard, ramming her smooth, shapely ass against his groin. He slammed into her, driving his sword in to the hilt.

The boys came together like a good team. Tracy convulsed from head to toe. "That was nice. Now, what can you tell me about the Strangler?"

"Sorry, baby, no can do," Thompson whispered while stroking her still-throbbing clit.

"What?! I'll get you fucking assholes for rape. You're finished."

"Relax, little girl, relax. What my partner here is tryin' to say is that we don't have anything to tell. We're not hidin' a thing. We just don't know much. If we did, we would nail the bastard. But as soon as we get somethin', it'll be yours."

"Yeah, sure. Listen, soon-to-be ex-Detective Hawkins, by the time you old jerkoffs come up with something on the Strangler, I'll be up for retirement."

"Well, there might be a way to speed up the process," Thompson cut in cryptically. "And judging by your performance tonight, you'd be perfect for the part."

"What are you talking about?"

"You could go undercover as a working girl," Thompson explained.

"It's dangerous, but just think of the story that you'd get, not to mention some of them hung johns," Hawkins added.

"Well, I'll think about it."

"Then while you're thinkin', we'll be gettin' you into shape for your new assignment."

Hawkins licked down her smooth, flat belly. Thompson's tongue snaked up her soft thigh. They met in the middle, and soon Tracy's twat was coming on their faces. She groaned so loud that Hawkins had to gag her, slapping on some handcuffs as an afterthought. She loved it and bucked like an Elvis impersonator on Quaaludes.

* * *

"You lookin' for some company, suga'?"

"Yeah, hop in."

"Wait a minute. How do I know you ain't no freak? Hell, baby, you could be the Strangler. I got to see some money."

"How's this?" He flashed a $50 bill in her face.

"That's fine. Let's take care of some business. Make a right."

"I know a better place."

"Wait, baby. Don't get freaky on me."

"Just shut up. Here's another $50."

"Okay, but just a blowjob, right?"

"Yeah, it'll be the easiest $100 of your life."

The old Cadillac cruised the deserted streets, finally stopping in an alley bordering a seldom-used warehouse. She unzipped him and plunged her mouth down, quickly covering his dick with her slick, warm tongue. She licked quicker, then sucked in his meat down her throat. She worked her mouth like a cunt, slurping him to the boiling point.

He moaned and shoved her head down farther onto his prick. At first, she felt only his climax and his fingers tenderly stroking her throat. *This is one sweet trick,* she thought. But his fingers wrapped tighter around her throat as he continued to spew spunk into her mouth. Soon she couldn't get her breath at all, and she started to pass out. He kept coming and squeezing.

* * *

"Guess what, lover boy? We got another cold fish on the line," Thompson groaned.

"We're history," Hawkins moaned.

They trudged down to their car and drove to where another Dumpster contained yet another dead hooker. Strangled as usual. This time they managed to beat the press, but the captain was waiting for them.

"Men, I suppose you know what I'm going to say; so I'll spare you the lecture and get straight to the point. We have one more week to come up with something. Then they call in the FBI."

"Captain, you know those Feds always get the credit, even when it's our sweat and blood that helped 'em crack it." Hawkins was fuming.

"I am not here to debate, Detective–just to inform."

"Captain, it's just that–" He was cut short by the news of the body's ID. It had taken some time because the whore had no identification on her. But when her blond wig was pushed aside, one of the

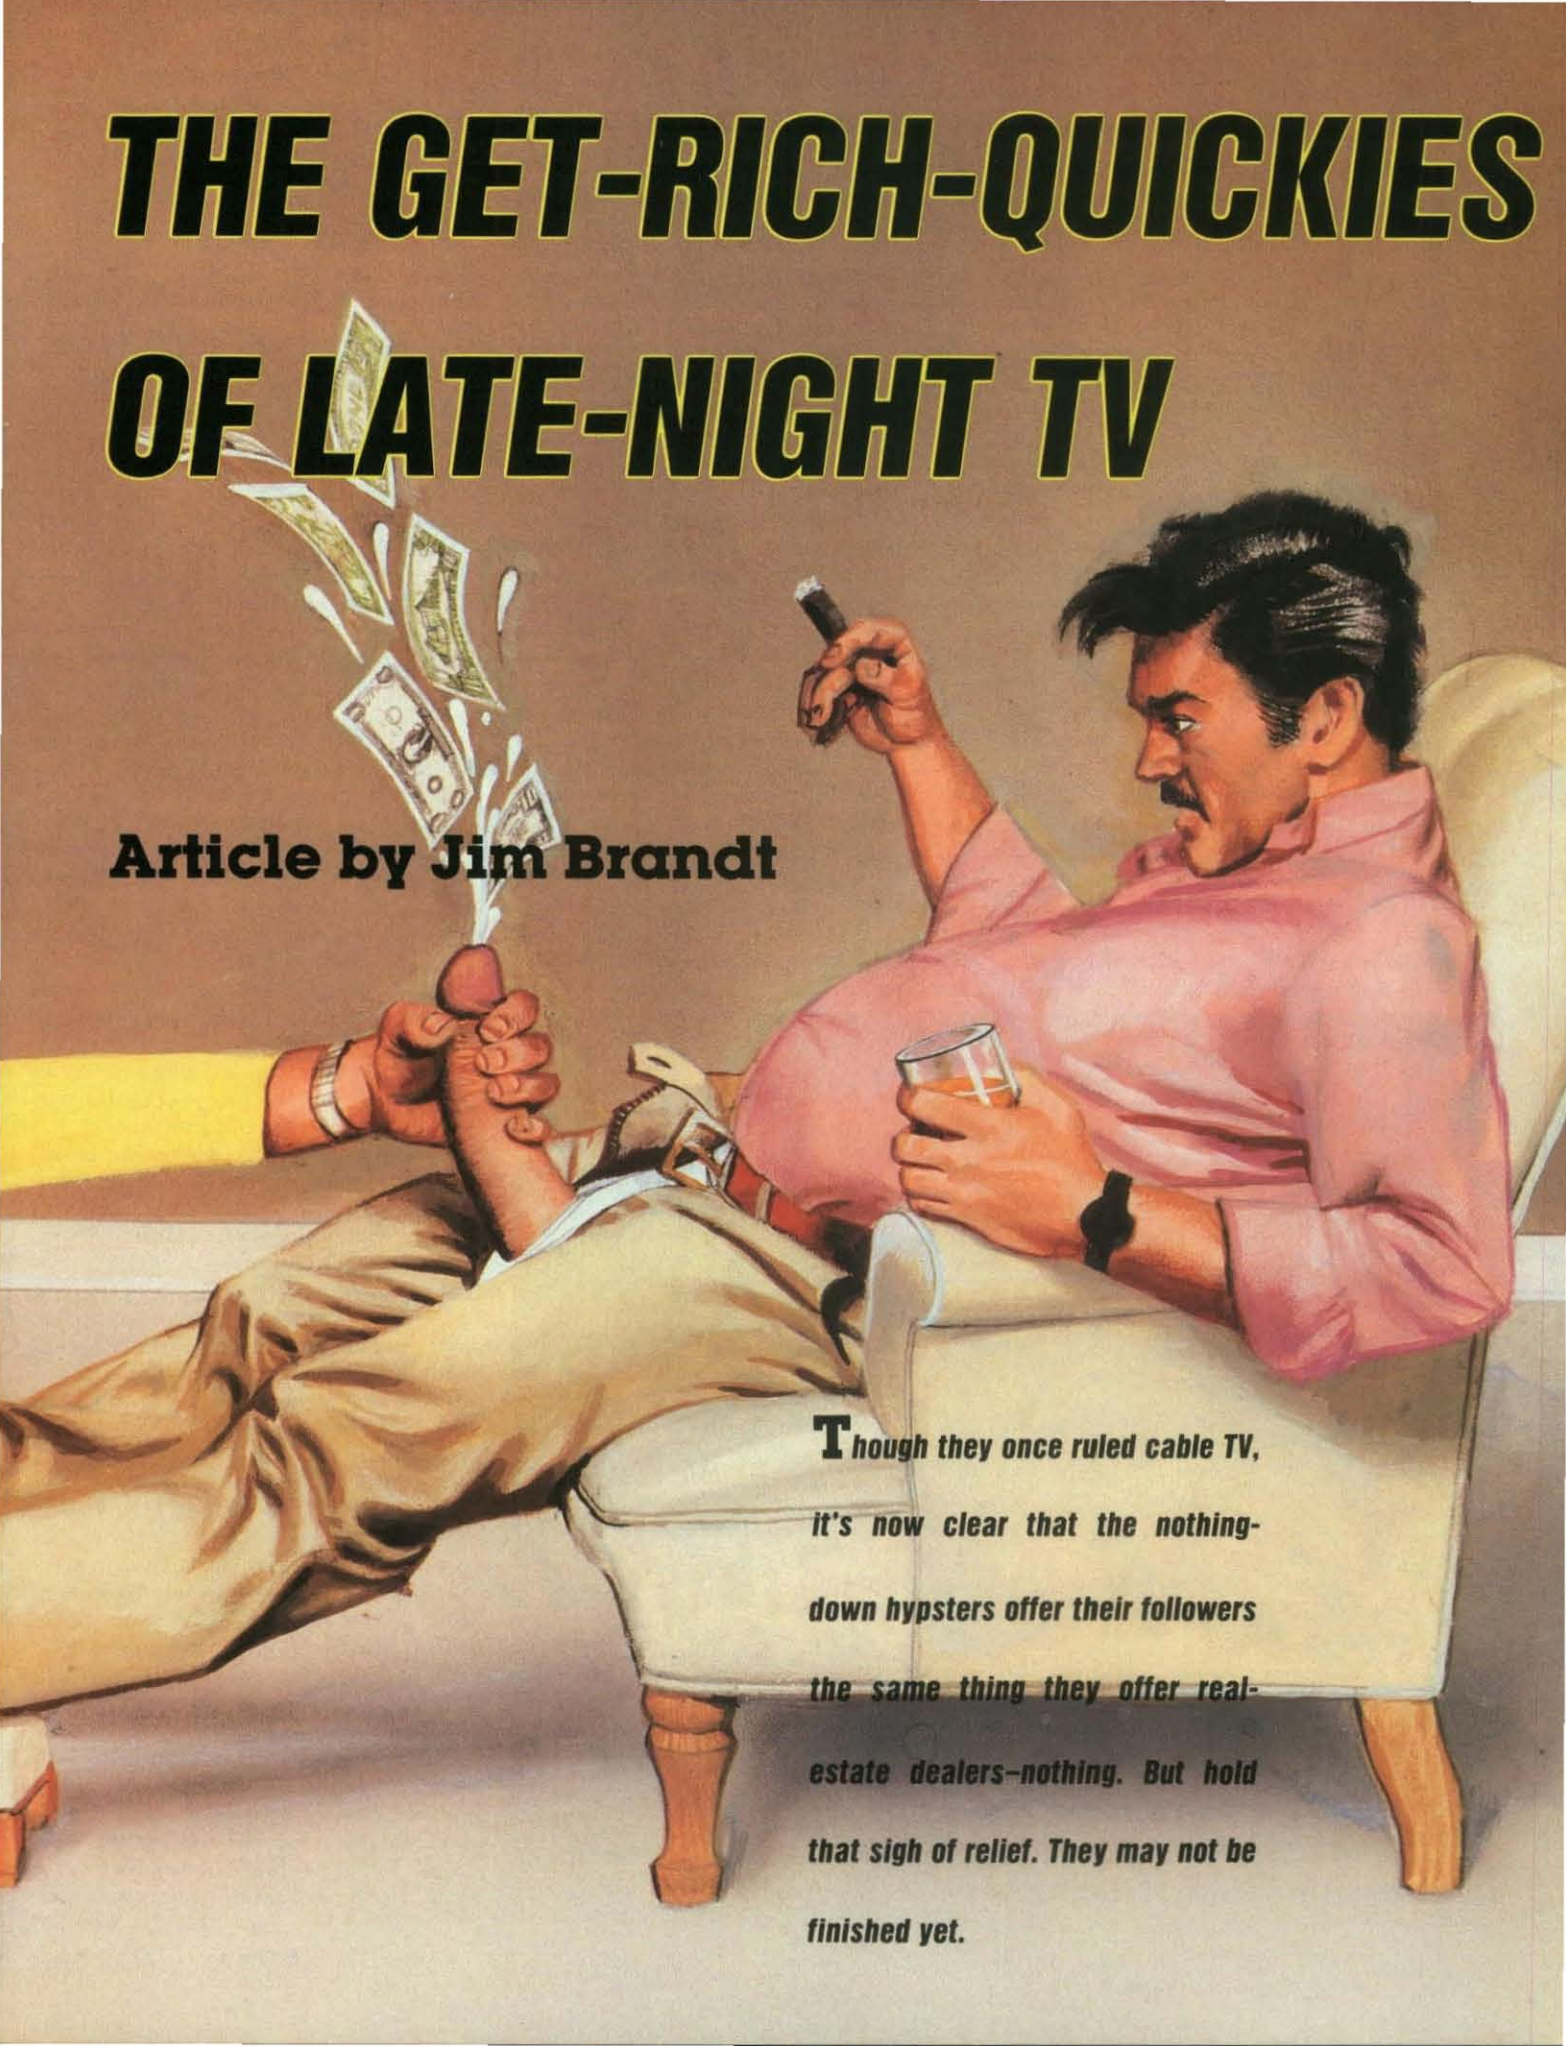
THE GET-RICH-QUICKIES OF LATE-NIGHT TV



Article by Jim Brandt

Though they once ruled cable TV, it's now clear that the nothing-down hypsters offer their followers the same thing they offer real-estate dealers–nothing. But hold that sigh of relief. They may not be finished yet.

TUBE BOOBS

But whatever it's called, it's still the same old shell game–get rich quick; ask me how.

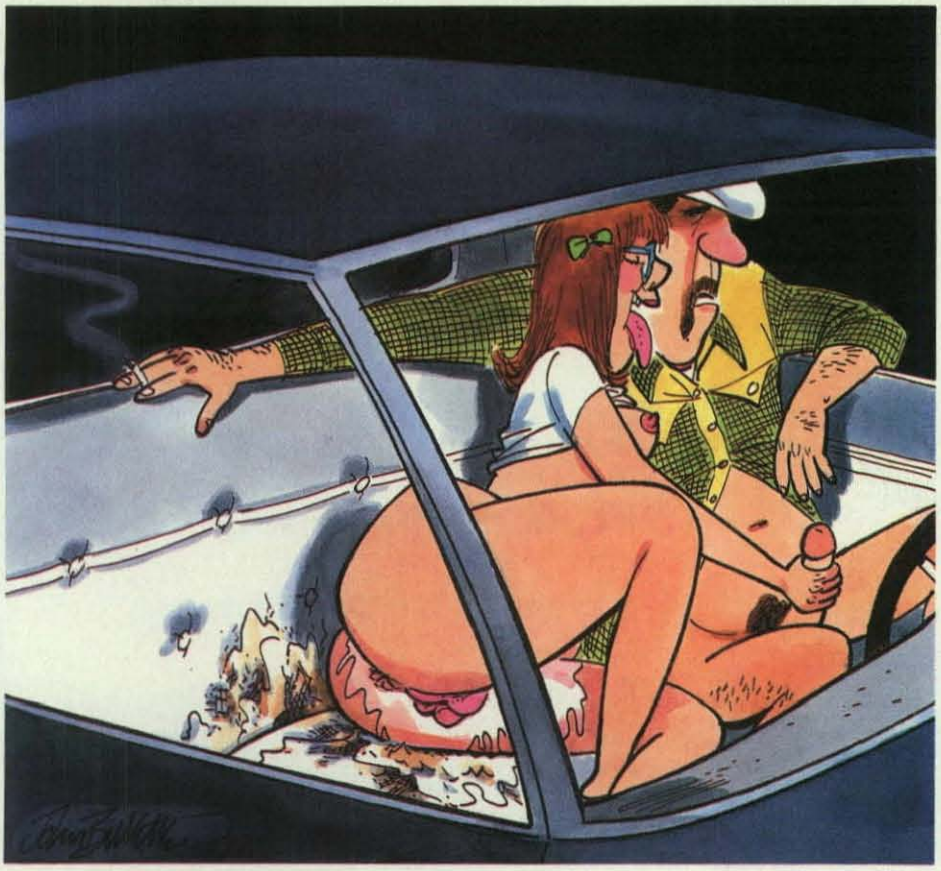
Imagine this: A man with an improbable hairdo and a three-piece suit–or maybe an Hawaiian shirt–bubbles with excitement and enthusiasm as he exits from a vintage Rolls-Royce. It's difficult to determine why he's so thrilled as he makes vague references to his sudden opulence while also eerily commenting about your immediate future. His optimism is infectious, his demeanor obnoxious and his promises ludicrous. His message is redundant and delivered with all the care and sensitivity of a desperate used-car salesman. His sincerity is questionable, his smile unreal. Faced with a choice, would you let this man into your house?

Millions of people do–every day–through the flickering light of their television screens. The man described above, and others like him, are known collectively as the no-money-down gurus. They offer real-estate courses and packages that promise to deliver sacred information so foolproof that even a borderline retard can succeed with it, a claim often substantiated during in-studio interviews with mumbling graduates of their peculiar real-estate scholarship. It may not be convincing, but it's certainly entertaining.

Not only can any insomniac with a remote control recite their gospel, but more significantly, millions have personally sought out these barons of bullshit in the confines of hotel banquet rooms and small auditoriums–paying hundreds of dollars for the privilege. What they get for their money usually consists of several cassette tapes and a book, or books, that contain the lecturer's precious cargo.

Somewhere within the myriad of twisted values that have festered from the unholy union of the Me Generation and the Fuck-You '80s, a new subculture has been created. Call it the cult of entrepreneurialism, real-estate evangelism or saving-through-seminars, but whatever it's called, it's still the same old shell game–get rich quick; ask me how.

Once mercilessly unavoidable to catch while turning the dial, these "self-made millionaires" appear to have hit their decline after several self-serving years proliferating on the airwaves. These days they perform in bankruptcy court while reruns of their shows continue pumping endless yarns between episodes of *Mr. Ed.* Though most of them insist they're still in business, the bottom's fallen out of the no-money-down routine. Those taking a step back are staying there, or else preparing a new strategy that will once again promise to make John Q. Public independently wealthy, proving once again that the emergence of get-rich-quick schemes are as cyclical as any other aspect of the American economy.



"We can't go on meeting like this, Audrey Jean. You're rotting my seat covers . . . ."

Their names might not be familiar, but their personal styles and salesmanship are. Some of the more significant gurus of greed are:

Dave Del Dotto: A gamey showman whose programs, *Cash Flow Expo* and *The Impossible Dream,* have appeared on both cable and noncable television, he advocates buying distressed property at government sales and auctions, along with the usual nothing-down nonsense. Del Dotto, 36, films his shows from the Hawaiian islands. With swaying palm trees and a picturesque beach as his backdrop, he urges his audience to fulfill their dreams as he has, by being self-made enough to buy a residence in the fabled 50th state. He insults a viewer's intelligence, not only by wearing violently colored Hawaiian shirts, but by also claiming that there's a blind graduate of his course. (Get it: If a blind man can do it, even *you idiots* can.)

Del Dotto is currently being sued by an ex-associate and also faces accusations of feigning wealth for sales purposes.

Ed Beckley: A follower of Maharishi Mahesh Yogi, the founder of Transcendental Meditation, Beckley hosts *The Millionaire Maker* program, among others. Known for his whiny voice and for possessing the face you most want to slap out of all the other entrepreneurs–quite an achievement in itself–Beckley endorses everything from the traditional no-money-down approach to credit-card manipulation in order to achieve life on the fast lane of riches.

Centered in Fairfield, Iowa–to be closer to the Maharishi's university there–Beckley, 39, runs the Beckley Group, an enterprise that recently filed for protection under Chapter Eleven of the U.S. Bankruptcy Code.

Tony Hoffman: He of the indomitable perm and Bugs Bunny overbite, Hoffman is a major figure in no-money-down gurudom. His show, *Everybody's Money Matters,* is state-of-the-art pseudodocumentary programming, equipped with a polished emcee/interviewer, Bob Braun, and enough resources to present such guests as California Comptroller Gray Davis. Hoffman's extraordinary ambition

TUBE BOOBS *(continued from page 82)*

Most telling of all, "Mr. Real Estate" can't sell his own house. "It's hard to sell a $1 million home."

drove him to conceive of a chain of Hoffman Centers–information libraries for success-conscious entrepreneurs. He built one, in Reseda, California, which he no longer owns.

Hoffman, 45, is also a Chapter Eleven fan. His company, National Superstars Inc., filed for it October 3, 1986. Hoffman claims he's on the rebound, but also bravely admits he's mentor to both Del Dotto and our next inclusion in this rogues gallery of real-estate mavericks. . .

Mike and Irene Milin: A Tucson, Arizona, couple, the Milins have a similar gospel to Hoffman and company, concentrating on purchasing land from government auctions of seized properties, among other practices. They claim, through their show, *Two Years to Financial Freedom,* that those following their financial plan can retire within two years.

But Mike Milin's credibility is retiring quicker than any client of his after the *Los Angeles Times* disproved his claim of once serving as an instructor at the University of California, Berkeley. The school has no record of Milin ever working there. Not only that, but the Milins have suffered the monumental indignity of being sued by, of all people, the owners of the syndicated program *Lifestyles of the Rich and Famous* for copying the show's format.

Albert Lowry: Considered the first no-money-down seminarian, Lowry, 59, must bear the heavy responsibility for starting Hoffman out on the real-estate trail. Though he still guest-speaks at some seminars, the man many consider to be the father of the real-estate gurus is falling victim to the fast-talking monster he helped create. His company, Success Development Institute, terminated business after accumulating $2.5 million in debts. Most telling of all, "Mr. Real Estate" can't sell his own house, excusing this inability by whining, "It's hard to sell a $1 million home."

Paul Simon: Now extinct, Simon's aggressive, high-risk techniques set him apart from the more conservative types, like Beckley. With his imaginatively titled seminar, "Get Rich With Real Estate," the blustery Simon claimed millions in income, but the wind suddenly left his sails when the Arizona Bar Association accused him of plagiarism. (He settled out of court.)

Simon is significant because he was the first to launch his hype on television when he teamed up with Ray Lindstrom, thus giving birth to Lindstrom's Media Arts International, Ltd. This is what began the inevitable pilgrimage to television, and Media Arts soon added a plethora of other shows pitching home-study courses.

There are dozens more of these information pushers–like Joe Land, Charles Givens, Wayne Phillips and Carelton Sheets, but they haven't garnered the media attention acquired by the others.

Then there's **Robert Allen**, who the *Wall Street Journal* described as ". . . the best known of the breed." It was Allen's book, *Nothing Down*, that was the flagship tome of quick-rich dealings. He, as much as Lowry, is credited–or blamed–for the phenomenon. He, as much as anybody, is symbolic of the direction his philosophy and its followers are going.

Allen Group Inc., publisher of Allen's newsletter, ceased operation in 1985, and MSI Inc., the company who licensed his seminars, liquidated under Chapter Seven of the U.S. Bankruptcy Code. Also, James H. Southard, a president of a chapter of the Robert Allen Nothing Down Club, was sentenced to 30 months in federal prison for conspiring to defraud a federally insured institution. All in all, not a good couple of years for Mr. Allen.

Still, though Allen is so far refusing comment on these recent failures, he has a new book, *The Challenge*, coming out, and according to his wife, he still believes his theories and practices are viable, moral and workable.

That is a familiar thread: Despite the hard times, the entrepreneurs are steadfast in their adherence to the nothing-down dogma. It is this characteristic, along with the ubiquitous television presence, that makes the real-estate gurus somewhat indistinguishable from Christian televangelists. And like the followers of the Christian hucksters, the real-estate groupies find the gospel hard to resist no matter where the preacher's hands are caught, claiming defensively, "It's not universal to be greedy."

But if not greed, what strange, dark forces are really responsible for these get-rich go-getters, and at what point did they change from enterprising, resourceful capitalists into bloated self-parodies?

It took more than the imploding brain trusts of trailblazers Allen and Lowry to create this phenomenon. It took a highly volatile real-estate environment with high interest rates and other economic factors that turned the atmosphere to a

TUBE BOOBS *(continued from page 88)*

"I don't think much of them . . . the course isn't no money down–the pitch is."

"buyer's" market, thus viable for people with little or no capital. It also took deregulation and, of course, the general mood of the country to make entrepreneurship a glorified endeavor.

But what really made real-estate courses take off was television, through the sales pitch known as the "program-length commercial." Until August 21, 1984, according to the FCC, commercials could not run uninterrupted for more than 15 minutes. Since this rule has been repealed, anything goes.

Diet plans, beauty make-overs and stock secrets are just a few of the products sold by means of program-length commercials, but none are as well-known as the real-estate course. In other words, without this deregulation, Beckley, Lowry and company would have stayed in their hotels and auditoriums forever.

Media Arts International, Ltd., the company that jumped first, began exclusively with real-estate packages, but now, according to Steve Lake, speaking from Media Arts' Phoenix-based office, "We haven't done real estate in a while. It's a dead end. It reached its peak."

Lake went on to say that their hottest property is *Lottery Busters*, a show on how to successfully play the lottery. There's also *Diet Secrets of the Stars* and others, but no more high-priced home-study courses are offered.

One person willing to sell them is Tony Hoffman and his National Superstar Inc. These days the postbankruptcy Hoffman has tempered his ejaculatory exuberance in favor of a "gee whiz" approach–possibly because he rarely pushes his courses on the show. Instead, Hoffman invites other luminaries selling multilevel marketing opportunities and get-rich-quick plans.

Hoffman himself is a disarming, courteous speaker who says Superstar's financial troubles were overplayed, while strongly indicating his personal holdings were never in question. He, like his sidekick, Bob Braun, prefers to compare the Chapter Eleven phase for Superstar to Chrysler's bankruptcy, blaming the problem on a saturated market of real-estate programs. "It was $6,000 for an hour of TV," he complains. "Then it went up to $8,000, $10,000, $12,000, and you couldn't make money."

Ironically, it was his proteges, Del Dotto and the Milins, who helped glut the market. Asked if he was bitter that they had broken off from him with similar programs, Hoffman pauses, then says, "That's the great thing about this country." He goes on to wax patriotic about competition, but then explains, "Actually, I'm bitter toward *me*. I didn't make a long-term contract (with Del Dotto). If I was smarter, I would have made a longer contract." He then admitted he did the same thing Del Dotto did when he broke off from Albert Lowry. "There's enough money out there," he assures.

Hoffman is characteristically optimistic and talks of spending more energy developing television programming, including a game show. "I'm creative," says the man with license plates that read NGOC8R (negotiator). "I like to create new ideas."

One idea he's not compelled to take credit for is Z-Tel, a long-distance multilevel scheme. (Multilevel marketing is similar in structure to pyramid scams, except multilevels offer buyers a real product or service. Amway is the best example of a multilevel.) Z-Tel offers unlimited long-distance for $120 a month, and for every additional client signed up, the recruiter gets $20 a month. Theoretically, if that Z-Tel client signs six others, he gets free long-distance service.

Is this an opportunity? "It's a scam," says AT&T spokesman Mike McGuire. He maintains that though it might prove profitable for the first few clients, Z-Tel has a limited supply of circuits. "Pretty soon, all you can get are busy signals," says McGuire. "You can never get through." He adds that Z-Tel is perfectly legal, but that AT&T has nothing to do with it. Therefore, "Buyer beware."

Hoffman, who presented Z-Tel on his show, says that they inform the customer that they will often get busy signals. Still, he's not willing to defend it any further. "I'm not saying it's good or bad," he says.

One person who is willing to offer an opinion on multilevels is Gary W. Suthers, an attorney who coauthored a book with fellow attorney Gary L. Shupp called *Fraud & Deceit: How to Stop Being Ripped Off*. Suthers, who is practicing in Colorado Springs, Colorado, says, "You have to understand the mathematics of a pyramid. In any multilevel scheme, 50% lose, 35% break even and 15% win."

As for the so-called real-estate gurus, Suthers says, "I don't think much of them. Their product's pretty bad." Suthers goes on to make an adroit observation concerning the cassette and workbook packages. "The course isn't no-money down–the pitch is."

TUBE BOOBS *(continued from page 92)*

Beckley has 10,000 consumers–enough people to start a small country–seeking refunds from him.

Nobody found this out quicker than Jamie Stevens of Santa Monica, California. In October of 1985, Stevens purchased the Ed Beckley package of tapes and workbooks. Dissatisfied with Beckley's approach, he returned the materials with a letter within the allotted time.

After he received no reply from the Beckley Group, Stevens attempted to phone. Still no money back, though he had already returned all their property. Fortunately, he had charged the purchase on a credit card and asked his bank, Wells Fargo, to intervene.

This bank was successful, but not until after haggling with the meditative Iowans. It seemed Beckley wanted to add a $30 service fee, but the bank balked, and with the institution's formidable clout, Steven's received his money.

The surprise here is that Stevens was one of the lucky ones. On March 22, 1987, the Beckley Group listed $6 million in debt while filing for Chapter Eleven. Bill Roach, a representative from the Iowa Attorney General in charge of Consumer Protection Division, puts it in a more macabre perspective: Beckley has 10,000 consumers–enough people to start a small country–seeking refunds from him.

"He's the subject of an investigation we're continuing to monitor," asserts Roach. "It's far from being resolved. There's a significant question whether he can refund."

A representative from the Beckley Group claimed Ed was on the road, preparing week-long seminars that cost $1,195. She said, due to over 4,000 refunds paid, the money-back guarantee time period was reduced from 60 days to 30 days. She blamed unauthorized duplication of materials for the excessive refund figures, but failed to explain why a cheater couldn't as easily duplicate the text and tapes in 30 days as in 60. She did insist that Ed recommends Transcendental Meditation, however.

Del Dotto, mantra or not, is more untouched by scandal than some of the others, but trouble is beginning to taint the Hawaiian horizon. Considered one of the more exciting seminarians, Del Dotto's productions are laid-back hokum, except when the show switches to clips from his electrifying live seminars.

In court, which appears to be his eventual destination, Del Dotto may not be as spellbinding. He is the subject of a lawsuit filed by attorney Johnny Crowell for failure fo make loan payments on a duplex. Crowell also maintains that Del Dotto, while boasting of acquired riches in studio and print, was actually unable to get a $60,000 loan on some property.

Denying everything, Del Dotto told a Los Angeles newspaper: "The bottom line is that I'm still on television. Everyone else has been weeded out."

Well, not quite. There's Ione Young Gray, a maternal West Coast real-estate attorney with the same basic sales pitch as the others, but with sillier-than-usual course graduates to do her bidding. Gray is a slippery lecturer, as she consistently lists a Century City, California, address as her office, much to the chagrin of Headquarters Companies, who run those same offices Gray abandoned six to eight months earlier.

It's a sign of the no-money-down times when Gray repeats a half-dozen times in one broadcast, "I am an *attorney*" who promises she'll "... make sure you do things *legally*."

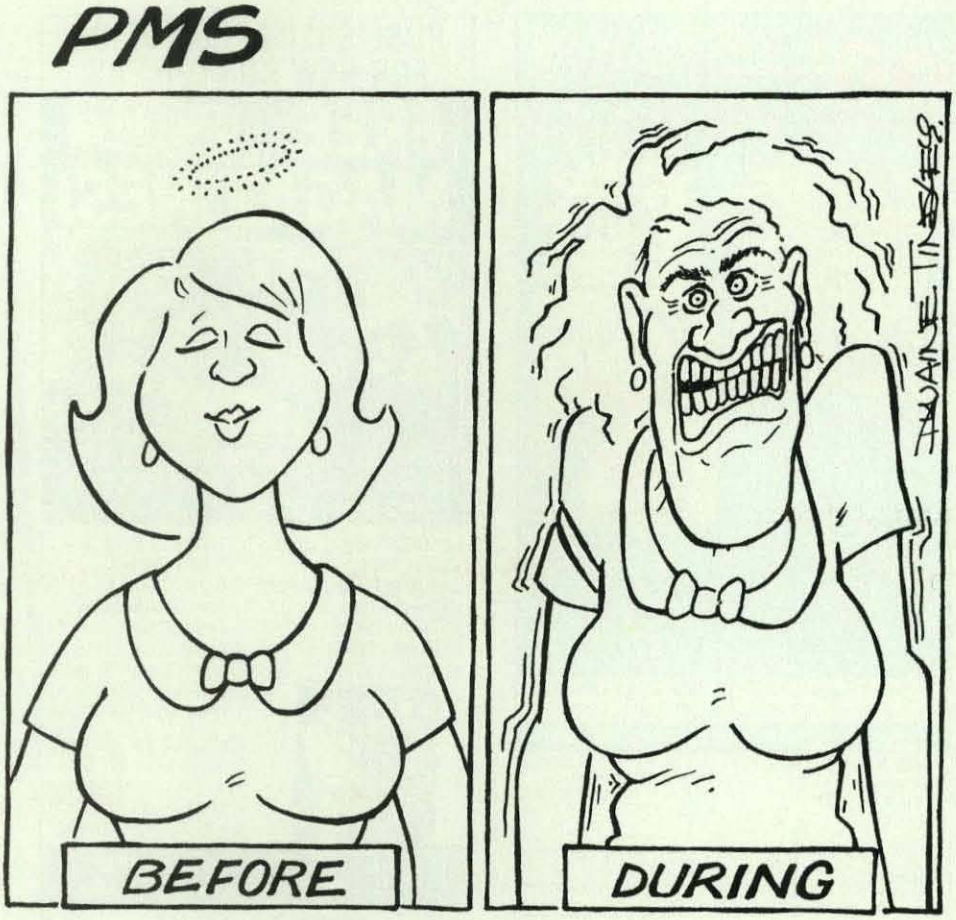
Doing it clean might be the new sales approach. It was usually not a question of legality with these programs, but of ethics, such as scouring the obituary page to find desperate widows who needed to sell property or by taking advantage of the power of television by presenting commercials as if they were documented facts–or even the basic principle of the whole idea. As Steve Finger, the businessman who bought the Hoffman Center, said to a group he was lecturing: "To you, no-money-down means somebody else's money down."

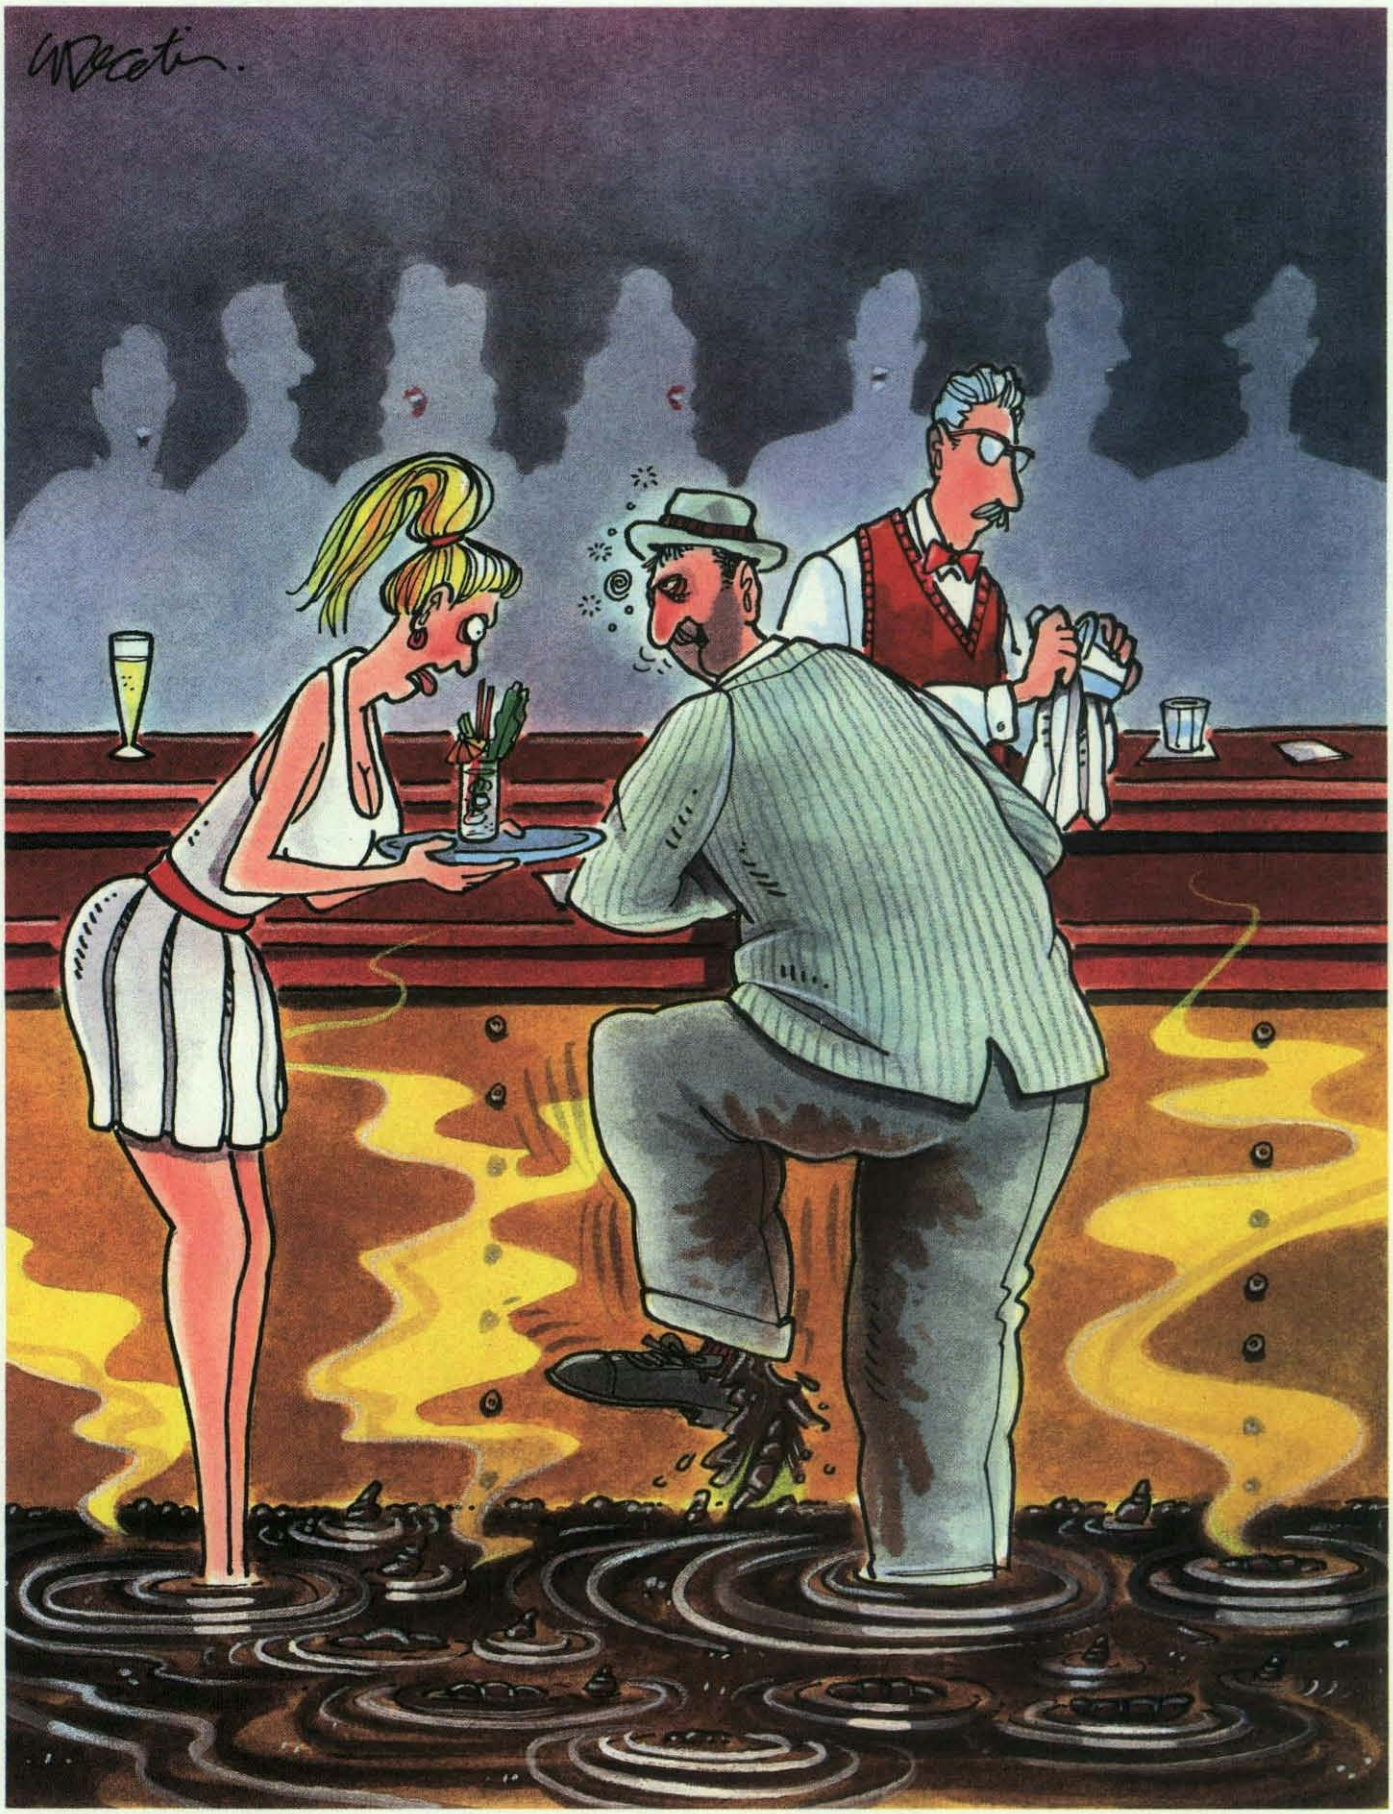
Interestingly, the whole greed infrastructure of real-estate gurus, televangelists, White House lobbyists, Wall Street traders and scurrilous arms dealers is suffering a crisis. But you can still worry–they'll be back, in one hideous incarnation or another.

Take Lowry. He's talking about plugging "an organic high-energy weight-control substitute." Hoffman, on the other hand, seems willing to hawk anything, and Beckley fell for one alleged scam (TM), then created another. Del Dotto, who's known to gobble down Herbalife products, is willing to sell a blind man a real-estate course.

"There's a scam for good times and a scam for bad times," declares Suthers. But for all the new cons waiting to hatch, Suthers asks, "How far can you go protecting a gullible market?"

Who knows? For now it's still buyer beware, but instead of turning on the tube, next time read a book.





"Whoops, sorry. Could've sworn that was a fart."

STRANGLEHOLD *(continued from page 70)*

But his fingers wrapped tighter around her throat as he continued to spew spunk into her mouth.

lab boys recognized her. It was Tracy Nelson, the newscaster. Hawkins and Thompson looked around for a hole to puke and die in. While the captain consulted with the lab experts, the detectives faded into the crowd. They wanted a dark, dirty spot to get drunk in, and they knew just the place.

"Shit! How'd that dumb cunt get herself iced so quick?" Thompson wailed. "If anyone knows it was our idea for her to go undercover, we're fucked."

"If she told anyone–and she musta told someone–it's just a matter of time before we'll have to pay for it, one way or another," Hawkins hissed. They put their minds to some serious drinking, and after they'd had too many to count, they realized the obvious.

"Ya know, maybe we should hope that Tracy broad did tell somebody about goin' undercover. And maybe, just maybe, that somebody was hangin' around to keep an eye on her, like we shoulda been," Hawkins observed.

"Fat boy, you're a genius!" Thompson shouted. They weaved unsteadily toward the door. The cops figured they'd go down to Tracy's TV station and question as many of her coworkers as they could. Maybe one of them saw something.

* * *

The old Cadillac glided effortlessly, fins gleaming like a shark. *What's for dinner, tuna?*

Streetwalkers prowled the boulevard. They were a bit nervous about the Strangler, but business was business, and they had to work, or face their pimps.

"You wanna date?"

"Yeah, hop in."

"Wait, baby. You a cop?"

"No way you gonna get busted by me. I jus' want your lips wrapped around my dick, okay?"

"Well, I guess you ain't a cop, and I hope, for your sake, that ain't the Strangler, 'cause, suga', I got me a .22 in my purse that's gonna be pointin' right at your nuts. So don't even let me get in this pretty car if you're gonna make me mess it up with your blood."

"Wait, girl. The only shootin' I want is my cum down your throat." He waved $50 in her face.

"Okay, baby. Go right at the light and pull into the parking lot."

"No. I have a special spot picked out for us."

"If you say so, but don't forget about my gun."

They drove through a deserted business section, stopping at the end of a dead-end street. He parked the Caddy so he could see anyone coming from a block away. But he wasn't worried. In fact, he felt on top of the world when he sensed the whore's hot breath on his dick.

Her hot tongue slid up and down. Then she flicked light and fast with her snakelike movements, all the while her purse with the .22 pointed at his balls, her hand poised within. Then she plunged down like a Hoover in overdrive, engulfing him. He grinned and grew fatter and longer in her mouth. He jerked her wrist aside with a snap, the purse and gun falling to the floor, while he bucked wildly, shooting a steamy wad of spunk toward her lipstick-smeared mouth. His jizz never made it to her tonsils. Only a bit reached her tongue because he jerked her head back by the hair so hard with his other hand that he wrenched her neck; and she went limp.

His prick kept on spurting into the air, landing on his belly, forming puddles on his shirt. He grabbed her by the throat and pinned her to the seat while he grabbed the gun from her purse.

"Now, pull down those panties so I can fuck you with my love gun, baby."

He rubbed the gun on the cum on his shirt, then stroked her cheeks and lips with the barrel.

"Suck it, sweet thing."

The hooker was too scared to move. His fingers around her windpipe made her mind slow and confused. He kept squeezing until she stopped breathing.

She slumped over in the seat when he finally let go. Then he went to look for a place to dump her. As he drove along, he gazed down at her and had to laugh. She'd died just like all the others: cum, his cum, dripping down her face.

* * *

Hawkins sat at his desk, wolfing down a huge pastrami on rye, looking famished. He hadn't stopped eating. It was the only thing he could do to keep from going over the edge. Thompson's stomach was such a fucked-up, heaving mess of acid that he couldn't eat a thing. Hawkins was consuming enough for both of them. They had grilled everyone at Tracy's TV station. A production asssistant said he had followed her and thought he saw Tracy get into a Cadillac.

Their only hope was to check out the neighborhood where they figured Tracy was and see if anyone had seen a girl who fit Tracy's description getting into a Cad-

STRANGLEHOLD (continued from page 100)

He wasn't worried. In fact, he felt on top of the world when he sensed the whore's hot breath on his dick.

illac. One old streetwalker said she'd seen a Caddy, but the whore was wasted on smack and wasn't a reliable witness.

The only lead that hadn't been investigated was the old Caddy. It wasn't much, but it was all they had.

"I don't know. This fuckin' Strangler's got the whole city in a stranglehold. People are chokin' with fear." Hawkins was waxing philosophic. Not a good sign.

"So, how do we break the hold? How can we get this prick and go back to workin' some normal fuckin' hours?" Thompson's voice was brittle with exhaustion.

"We gotta requestion all the hookers and see if we get any others who remember seeing a Cadillac." Hawkins wasn't looking forward to all that legwork, but there was no way to avoid it.

They went over all the statements collected in the investigation so far and drew a blank. Then they contacted the persons who had given statements, and the cops asked them about the Cadillac. Again, nothing. Finally, they hit the streets of the ghetto again to question the streetwalkers themselves. Two other whores mentioned seeing an old Cadillac with big fins cruising around on the day Loretta Wilson, Victim No. 12, had vanished. These hookers were doped up too, and they were not really useful in a trial situation as reliable witnesses, but Hawkins and Thompson were hoping that three spaced-out, doped-up street whores from the ghetto might equal one reliable witness and, therefore, the Strangler really was out driving around in a Caddy. But even if he was, finding that car with the killer to match was going to be an awesome job. They spread the word on the streets to watch for that sort of car, and they instructed the hookers to call the cops immediately if they spotted it.

* * *

Shit! She was a fuckin' newscaster! Jesus motherfuckin' Christ! She sucked cock like a whore. Somebody was reading all about Tracy Nelson and wasn't even a little bit broken up about her tragic demise. *Now I feel cheated. They tried to trick me. I wanted a real whore–a slime-infested, dirty, poor cocksucking scumbag. I'm trying to do this city a service, and then they pull this shit. I guess I'll just have to make it up to them.*

He washed and waxed the black 1959 Cadillac with a new mother's tenderness and care. Then he set out to pick up a little treat.

He turned left and put it into low. The whores froze when they saw the car; their faces seemed to go pale. None of them would approach him, even though he waved a $100 bill at them. One hooker pointed at him and screamed.

He hung a U-turn, then took a left. They didn't have to draw him a picture. Somehow, they knew his car. He was sure of that. The whores had reacted before they even got a look at him. He drove slowly and carefully, checking his rearview mirror constantly. Miraculously, no cops were around. He made it to the underground parking lot where he stored his car. He parked, took off the plates, dusted it one final time. Then, still wearing his driving gloves, as he always did when hunting, he covered his Caddy. Two blocks and he was home. Ten minutes later he was packed and on his way.

I'm gonna miss that car, more dependable than any bitch ever was. But if they don't want me to clean up the streets of this city, some other place will. Honolulu, Phoenix, Denver . . . . There's a great country out there that needs me. Moral decay everywhere. But one thing I'm gonna do different: I'm gonna sell the book rights and make the movie deal 'fore I get caught.

SAFE SEX (continued from page 50)

"I like to get myself off less than a foot from her, but not let her touch me."

ledo without him knowing, just by using my tongue! I did the first few with a banana, and it never knew the difference either."

Other alternatives include aural sex. Twyla, a budding actress and answering-service supervisor from Detroit, Michigan, vouches for smut talk: "I do it every day," she spouts. "I call up my man, especially when I know he's not free to talk at work. I tell him I want to suck his big, thick, juicy cock, that I want to feel his load of jizz hitting the back of my throat. He got my drift and ended his meeting to rush home and pork me. If he's not there, I talk my shit into his answering machine."

"Stripping is pretty good too," chips in a Miami, Florida, watch salesman, "if you make it interesting. I like to add a little something to the show by playing with myself for my girl, using a dildo or vibrator, getting myself off less than a foot from her, but not letting her touch me. Or I get naked, strip her, tie her up and jerk off between her breasts."

Moving to the bathroom, one Natchez, Mississippi, physical therapist loves to fuck in the tub. One night she brought home a guy whose past was less then pristine. Safety-first Suzanne didn't want to risk fluid exchange; so she had him fuck her with a big black double dong while she was tied up in the tub.

In its pure form, S&M can rightly be considered a safe-sex practice. There is no fluid exchange because no one comes or kisses anyone. The dominant punishes or humiliates the submissive, and everybody's safe as long as no skin is broken.

Another nonthreatening road to orgasm is the ever-popular video and print media. This article is contained in an implement of safe sex–the true-blue stroke book. Some wankers prefer dirty stories or filthy cello-sealed drugstore novels, while others lust for full-color photos. There's a world of printed material just waiting for the one-handed reader.

But when the thrill of stills has run its course, móve along to video. From the "women's videos" to the 25¢ peeps, there's something for everyone.

Chet C., a Tacoma, Washington, berry broker, has this advice: "Try getting a date to go to a peep show. She can pretend to be a hooker. Then take her home and fuck her senseless in your own clean bed."

New York City cop Hank S. takes this one step further: "I like to be really adventurous and take in a live sex show with my clean squeeze. We keep our clothes on but reach under them, fingering, squeezing, stroking. I always check into a cheap motel on the way home because I can't wait to get into that hot tamale."

The libidinous and literate can participate in pornography themselves by writing hot letters to this or other magazines. The more affluent buy video cameras and film girls' faces while they are being sucked off. (Offscreen there's an oral dam between tongue and cunt flesh.)

Video possibilities are endless. A plethora of props can be used: dildos, vibrators, stripteasing–the works. There's something brain-boilingly erotic about seeing someone very familiar fucking onscreen, even if she's fucking you. Any sufferers of unrequited narcissism can get off on filming themselves jacking off, then jack off watching themselves get themselves off.

So don't grumble about how feeling up a nun on the subway is more exciting than safe sex. Get your fantasies into high gear. You *can* teach an old dog new tricks–as long as you can get a rubber on him, that is.

ENLARGE YOUR PENIS TO IT'S MAXIMUM! HAVE ERECT MEASUREMENTS OF 9, 10 EVEN 12 FULL INCHES!

The MACRO-TEN is the **ONLY** PENIS DEVELOPER you will ever need!

Is the size of your penis bringing you down? Sure, the medical authorities say the size doesn't count; but as long as women have a need to be filled, they will demand the full measure of devotion. And no amount of psychological reassurance will fill the gap between expectation and reality.

Now, with a simple device you can follow in the footsteps of thousands of men who have proven that there is a way to INCREASE PENIS SIZE and THICKNESS! The device is called the MACRO-TEN ELECTRIC VACUUM ENLARGER. A safe and proven natural way to add inches to penis length and thickness. With the MACRO-TEN, you will see yourself grow to dimensions you never thought possible.

HOW CAN THE MACRO-TEN ELECTRIC VACUUM ENLARGER INCREASE PENIS LENGTH & THICKNESS?

Your erection is caused by blood flowing into hollow caverns inside your penis. The caverns fill with blood and your penis grows in size and thickness and becomes stiffer and stiffer until the caverns are filled with all the blood they can hold. BUT, IF YOU INCREASE THE CAPACITY OF THE CAVERNS BY MAKING THEM BIGGER, THEY HOLD MORE BLOOD and you have a correspondingly longer, thicker penis. Regular use of the **MACRO-TEN** gently urges the caverns to expand . . . expand . . . expand. You'll see the astonishing results the first time you use your **MACRO-TEN.** Your penis will grow inside the clear, picture window sleeve. Immediately you'll see just how really BIG . . . how really FAT . . . how LONG . . . how HARD and STIFF your own penis can get! And after regular sessions with the **MACRO-TEN** you'll probably find as do most men that these size gains don't go away! They become a part of you to thrill and excite her!

THE MACRO-TEN IS SIMPLY THE MOST POWERFUL ENLARGEMENT SYSTEM YOU CAN PURCHASE ANYWHERE! AT ANY PRICE!

This powerful, totally electric unit (U.L. approved) is equipped to plug into any wall outlet to give you continuous, even sucking power until you shut it off! Unlike noisy electric vacuum enlargers costing upwards of $100 — the **MACRO-TEN** is "quite as a whisper." This sophisticated instrument is by far the state of the art in penis enhancing machinery. It has taken time, money and first-class engineering to produce what many have called the "Rolls Royce" of vacuum enlargers. The **MACRO-TEN** is a finely crafted precision instrument designed to create the vacuum needed to make the male organ LONG and THICKER. If you are truly serious about penis enlargemnt — the **MACRO-TEN** will do the job for you!

NEXT MONTH IN HUSTLER

February edition on sale December 22, 1987

LUSTY LASSES

Next month you'll meet an outdoor girl who works up a sweat on the range with a little bare-ass bareback riding, then cool off by taking a dip with our gorgeous covergirl/centerfold. Romance makes a comeback in a sheet-scorching erotic encounter between two illicit lovers, and finally, a pair of perky female paleontologists make no bones about getting it on beneath an enormous dinosaur skeleton in *Tyrannosaurus Sex*.

KILL OR BE KILLED

If you're the sort of guy who likes to live on the edge, try going back to school–antiterrorist school, that is. In "Antiterrorism Training: The Modern Bodyguard," John R. Alba reveals that teaching people to thwart potential kidnappers and assassins is big business these days. From combat shooting to evasive driving to martial arts, if you've got the money, there are plenty of folks out there who can get you started on a career offering rewards of excitement and big bucks.

D.C. POON

If you think the country's seat of political power is a prudish place, think again. Reporter Rudy Maxa has discovered that Washington, D.C., is a hotbed of steamy sex–of every variety. High-priced hookers, kinky congressmen, swinging singles . . . Washington, D.C., has it all and more. No wonder they all want to be reelected.

PLUS

Sex Play's exploration of brutal, primitive sex rituals; our new *AIDS Watch* column, which next month examines the cruel concentration-camp mentality with which many AIDS sufferers are being regarded; "Paybacks," brutal, erotic fiction by Mike Oskroba; the bountiful broads of *Beaver Hunt*; triple-X reviews in HUSTLER *Erotic Entertainment*; raunchy *Hot Letters*; and laughs galore from *Bits & Pieces* and *HUSTLER Humor*. How much more could you stand?
